BURNED MORTGAGE.

Former Grand Rapids Pastor Figures in Important Ceremony in Milwaukee.

The Milwaukee Journal of recent date contains a lengthy writeup concerning the liquidation of the mortgage on Trinity church, of which W. A. Peterson, formerly of this city, is now pastor. There is also a picture of his reverence in the act of burning the mortgage at midnight. Following is the writeup in part concerning the affair:

With cheers and waving of napkins and floral favors, the congregation of Trinity M. E. church, Bay View, witnessed the burning of the church mortgage at a banquet in the lecture room of the church at which 400 were present on Tuesday evening.

This mortgage of \$1,500 was the last remaining evidence of indebtedness, not only upon Trinity church, but the nine Methodist Episcopal churches of Milwaukee, which pooled their indebtedness many years ago, the debt upon Trinity being the last to be entirely discharged, although its membership had contributed the full amount of their own indebtedness, twice over in the work, one member alone giving \$7,000.

Seated at the speaker's table were the present pastor of Trinity church, the Rev. W. A. Peterson, to whom all gave the credit for extinguishing the church debt, his father, the Rev. P. W. Peterson, who helped to organize the Bay View M. E. church, as Trinity was first known, soon after the war; three presiding elders of the M. E. church in Wisconsin, who were former pastors of Trinity; the Rev. J. S. Loan of the Milwaukee district, the Rev. Perry Miller of the Appleton district, and the Rev. T. D. Williams of the Oshkosh district, the Rev. Samuel Logg, who was pastor of the church in the trying times of the Bay View works were in the bankruptcy court and the entire population of the then village of Bay View was idle; Congressman Theodore Olsen, Dr. C. Graham and E. E. Dunning.

The pastor acted as toastmaster after the banquet and fittingly introduced his father to speak of The Beginning. Mr. Peterson gave a historical sketch of the church, which he described as the child of Asbury church, Third-av and Washington. The first suggestion that church work be started by Asbury church Bay View and really the first thought of what is now Trinity church, came from Dr. Muller, pastor of Asbury church, the year after the civil war.

The Rev. Henry C. Tilden preached the first sermon, on Saul. The first class meeting was held in John Bishop's house and was led by the Rev. Henry C. Tilden, while the first Sunday school was established by Mr. Peterson, who, on Jan. 25, 1867, was licensed to preach. The first church building was erected on Potter-av and the present church was dedicated in March, 1890.

The Rev. Samuel Logg was introduced as the pastor who "had to lug the church through the hard times twenty-six or twenty-seven years ago." He told of the struggle which began six weeks after his taking charge of the new congregation the death of the owner throwing the Bay View plant into the bankruptcy court and leaving 1,500 men without work.

Mayor Becker had promised to attend the banquet, but to the disappointment of the Bay View people failed to do so.

Congressman Olsen, who returned from Washington for the event, was introduced as an authority upon oriental matters because of his Chinese birth, and gave an interesting sketch of customs in Japan, Shanghai, Hong Kong and the Philippines in the matter of travel and dress and was proceeding to give a description of the Moros of the southern islands when the toastmaster's bell rang and put the congressman out of commission.

At the close of the speech making, the Rev. W. A. Peterson announced that in addition to liquidating the debt of the church there would be something like \$300 remaining as a fund for further work, and outlined a campaign for a \$5,000 pipe organ.

Crazy Tours.
Commencing on Monday, May 21st, there will be given a series of the Crazy tours, consisting of lectures and pictures by Mr. and Mrs. Cray. They have been in the business for a number of years and in many places have gone back for the third time, and wherever they have appeared they have given the greatest satisfaction to those who attended. Their lectures cover a large variety of places and are all interesting.

The entertainments will be under the management of the M. E. church, and season tickets and single admissions are being sold, at so low a rate that everybody can attend. Do not miss hearing them while in the city.

At the Methodist Church.
Sunday, May 20, the seventeenth anniversary of the Epworth League will be observed at the Methodist church. The program for the day will be as follows:
6 a. m., sunrise, prayer meeting.
10:30 a. m., sermon to the Epworth Leaguers and young people.
7:30 p. m., a special program and installation of officers.
Everyone is cordially invited to all of these services.

Disturbed the Congregation.
The person who disturbed the congregation last Sunday by continually coughing is requested to buy a bottle of Foley's Honey and Tar. John E. Daly, druggist.

Epworth League Day.

Next Sunday is Anniversary Day with the Epworth League. It will have charge of the services in the Methodist church all day. The first will be a service of prayer at 6 a. m., led by the president, Miss Eva Nilsson. At 10:30 the pastor will preach a special sermon to the young people. At 7:30 a sacred program will be rendered by the leaguers, which will be followed by the installation of the following newly elected officers:

President—Rowland Baldwin.
1st vice president—Miss Leona Bean.
2nd vice president—Mrs. A. D. Hill.
3rd vice president—Miss Fannie Palmer.
4th vice president—Miss Vida Riley.
Secretary—Miss Ethel Nilsson.
Treasurer—Hugo Lind.

At this service also Miss Eva Nilsson, the delegate to the late state convention held at Chippewa Falls, will read her report of the convention.

Some weeks ago the Epworth League was divided into two parts for a contest, one side wearing a red and the other a white ribbon. The side getting the least number of points for attendance at the different meetings of the League during the stated time were to serve a banquet to the whole League. The "Whites" came out ahead, so the "Whites" will give the banquet Friday evening. Also a program of songs, tunes and talks will be given.

The Methodist church has lately bought 125 lot of new official hymnal. These add greatly to the religious services of the church.

Officers Elected.

A meeting of the Kauty Manufacturing Co. was held on Saturday in this city, and the following directors were elected: Ernest Oberbeck, Jos. Cohen, Geo. Halvorsen, G. J. Kauty and F. J. Wood. After the election of the directors they held a meeting and elected officers among themselves as follows:

President—G. J. Kauty.
Vice president—Joseph Cohen.
Secretary—George Halvorsen.
Treasurer—F. J. Wood.

Mr. Kauty was down from Colby on Saturday and stated that he expected to get his machinery down here and have it set up and in operation inside of thirty days. He also expects that several families will move to this city from Colby to work in the factory, men who have had experience in the business.

Brown Withdraws.

Merrill News.—The announcement from Washington that Webster E. Brown has withdrawn from the race for the Republican nomination for congress after his previous announcement that he would stand for re-nomination, will make the contest a shifting one. Brown was named and his small personal following must now look elsewhere for a candidate. Several candidates have announced themselves but, as a prominent local Republican says "that should W. D. Connor, of Marshfield, chairman of the Republican state control committee, decide to enter the race the matter would be settled as far as the southern end of the district is concerned."

The Pioneers.

The little opera, The Pioneers, produced by the school children on Saturday evening was witnessed by a large number of people the seats in the big assembly room at the high school being filled. There were some very nice solos and choruses in the piece which the children handled very nicely. One serious disadvantage that they labored under, however, was the fact that there is no drop curtain to the stage and the one that was being used for this purpose was so thin that it was possible to see everything that was transpiring on the stage which made the whole affair a great deal like a Chinese play. The children should devote some of the proceeds of their entertainments to the purchase of a drop curtain and it would be a great help to the entertainments that are given.

Trying to Organize Company.

C. A. Carson of Milwaukee, has been in the city the past few weeks trying to organize a company for the purpose of manufacturing cement blocks for building purposes. He has interested several of our citizens in the proposition who consider there is a field here for such a factory, but nothing definite has been done along the line as yet. The blocks are made by a hydraulic process, and Mr. Carson says that when completed they are much firmer and more able to resist wear and weather than the ordinary kind that is made without pressure.

Began the Season's Work.

The Grand Rapids Brick Co., of which J. G. Hamilton is manager, commenced the manufacture of brick for the season Monday. This company generally turns out about a million and a half of brick each season, and the coming year's output will probably be about the same as that of former years.

Rummage Sale.

H. WESTFELDT DEAD.

Dies Suddenly in a Barber Chair in the City of New York on Friday.

A telegram was received here by Sam Church, secretary of the local lodge of Elks, on Friday announcing the sudden death of H. Westfeldt in New York City that day. Mr. Westfeldt, being a member of the order in this city. The telegram asked what disposition should be made of the remains, as it was not known where his relatives lived if he had any. The telegram did not give any of the particulars of Mr. Westfeldt's death, but newspaper dispatches tell more about it. Following is one of them: "New York, May 11.—A man he lived to be 104 years old, manager of the Green Bay Paper and Fibre company of Brokaw, Wis., entered the barber shop of the New Amsterdam hotel today, poured part of the contents of a small phial into a glass of water and drank it. A few minutes later while being shaved he was taken with convulsions and died. The coroner is investigating the case."

In speaking of the case the Wausau Record says:

"The above undoubtedly refers to a man well known in Wausau and vicinity, and the news of his untimely death will be a great surprise to his friends, for he made them easily and they are numbered by the score in this city, and Brokaw where he was for a time employed. When the sulphite mill was built there, he was made superintendent, and he introduced the acid system, maintaining his home at the Bellis hotel."

A little later he was offered a better position and better salary at the Son, and left for that place, but the company there soon went into bankruptcy, and Westfeldt drifted to the east. Not long after this he made a trip to Sweden, and it was while he was there that a report of his death became current, and was so published in the newspapers. Upon his return to this country, he became connected with the Green Bay Fibre company, with which concern it is understood that he was connected with when he made the trip east.

"The telegraphic reports give no cause for the suicidal act, but it is believed to be despondency owing to some financial difficulties which he seemed unable to control. He was not in the employ of the company at Brokaw, as stated in the New York dispatch."

"A later dispatch makes the simple announcement that a large amount of money was found on his person which would seem to discredit the theory of financial difficulties."

While Mr. Westfeldt was in this section he was superintendent of the Sulphite plant at Nekoosa, which position he held for some time. Later he went to Sweden, where his mother resided, to accept a position in a sulphite plant, and later a report came from there to the effect that he had sustained a serious accident by falling into a digester. His many friends here had not heard from him for some time, and it was not known just where he was located until the telegram was received announcing his death.

Death of Mrs. Patrick Mullen.

Mrs. Patrick Mullen died at her home in this city on Saturday evening at the age of 73 years after an illness extending over several months. The cause of death was a gradual breaking down of the system due to old age. The final end had been expected for some time and she passed away peacefully when the time came.

Deceased, whose maiden name was Mary Cole, was born in Ireland on the 20th of August, 1828. She later lived in Quebec, Canada, where on the 3rd of July, 1855, she was married to Patrick Mullen. Mr. and Mrs. Mullen moved to Grand Rapids in 1878 and have since resided here.

Deceased is survived by her husband and six children, five sons and one daughter. The children are Wm. Mullen of Seattle, Wash., James Mullen of San Francisco, Cal., P. T. Mullen of Everett, Wash., John Mullen of Butte, Mont., T. E. Mullen of this city and Mrs. J. K. Criley of Minneapolis, Minn. Although the children have all visited their mother during her last illness, the only ones that were able to be present at the funeral were T. E. Mullen of this city and Mrs. Criley of Minneapolis.

The funeral occurred on Tuesday morning from the Catholic church, Rev. B. Hugenroth conducting the services, and interment being made in Calvary cemetery. A large number of the friends of the deceased followed the remains to their last resting place.

Granted Divorces.

At the session of the circuit court held on Monday the following parties were granted divorces, both of them being default cases:

Mamie Traher against John Traher.
Ida Morgan against Henry A. Morgan.

MARRIAGE LICENSES.

Frank Pelot of Nekoosa to Kate Kruksky of the town of Port Edwards.
Fred C. LaBrot of Grand Rapids to Clara Reusch of the town of Hansen.

Charles F. Sowatzky of Hansen to Winnie Newman of Seneca.
Frank Sweet of Greenbush to Eva Blackham of Marshfield.

Nash-Bramham.

This evening at the home of the bride's parents, Mr. and Mrs. T. H. Nash, will occur the marriage of Miss Edith Nash to Mr. Marion C. Bramham, Rev. Fred Scott of the Congregational church performing the ceremony. Miss Adele Crenshaw of Chicago will be bridesmaid, and Miss Olive Cook of Medina, N. Y., maid of honor, while James Bramham, brother of the groom, will be best man.

The ceremony will occur in the living room, and the house is handsomely decorated in pink and green. The bride will wear a gown of white lace and chiffon, the bridesmaid, Miss Crenshaw, will be attired in green organdie, while the maid of honor, Miss Cook, will wear a gown of pink net.

Only the immediate relatives of the family will be present and after the ceremony there will be a wedding supper, and at 10:30 Mr. and Mrs. Bramham will take the St. Paul train for a wedding tour. Upon their return they will make their home in this city and will be at home to their friends at their High Street home after July 1st.

Both the contracting parties are of our most estimable young people, and have a host of friends here who will wish them God speed on their journey thru life.

Ruesch-LaBrot.

Miss Clara Ruesch and Fred LaBrot were married this morning at 9:30 o'clock at the Catholic church, Rev. B. Hugenroth performing the ceremony. After the marriage the contracting parties and their friends went to the home of Fred Ruesch, father of the bride, at Albion, where they were entertained in a social manner during the afternoon and evening.

The contracting parties are well and most favorably known in our community, the bride being the daughter of Fred Ruesch of Albion, but has been employed in the drygoods department of the Johnson & Hill store for several years past, while the groom is one of the office men at the Consolidated plant. Both of them have a host of friends who will unite with the Tribune in wishing them a long and happy wedded life and the best of success on their journey thru life.

Bankers will Hold Session.

The bankers of central Wisconsin will meet in this city next Wednesday, May 23rd, at which time there will be an organization perfected between the different bankers of this part of the state. The organization will be like those of other business houses, for the purpose of holding meetings and discussing matters that come up before the banker that is in regular business.

The meeting will be held in the Elks hall and besides a program it is expected that the visitors will be taken about to the principal points of interest in this immediate vicinity. The opening address will be given by Cashier Earl Peace, of the First National Bank of the city, and Mayor Wheeler will deliver the address of welcome. A banquet will also form a part of the entertainment that has been provided for the visitors.

Frank Mazur Acquitted.

Frank Mazur, the tailor, who was tried in circuit court yesterday on a charge of selling lottery tickets, was acquitted of the charge this morning, the jury bringing in a verdict of not guilty. The trial of the case took place Tuesday. It being the first case that was called in the morning. The night before the attorney for the defendant made a motion to have the case dismissed, but this was denied, and in the morning the trial of the case was taken up at once.

Mazur had been running a suit club and was arrested and brought before the justice court, and was acquitted. Then he was arrested for selling lottery tickets and was bound over to the circuit court, where he was again acquitted. The prosecution was conducted by district attorney Brazner and the defense by Attorneys Wheeler and Hambrecht.

Commencement Soon.

Commencement exercises of the graduating class at the high school will be held week after next. The scholars have prepared quite an elaborate program for the occasion. There are twenty-two in the class which is about the average size in this city.

WE WILL PLAY BALL.

Baseball Organization Effected at a Meeting Held on Monday Evening

A number of the baseball enthusiasts got together on Monday evening and held a meeting at the city hall for the purpose of effecting an organization, which was done. Officers were elected as follows:

President—Fred Kruger.
Secretary—Richard Wippenham.
Treasurer—Charles Dixon.
Manager—Geo. W. Davis.

The matter of having enclosed grounds was discussed and it was found that it would cost about \$250 to secure a canvas fence large enough to enclose baseball grounds, and after deciding that this would be the best that could be secured for the purpose it was decided to have the owners of the organization arrange for the buying of such a fence, and also to furnish seats for the accommodation of the spectators. It will be necessary for a number of the citizens to pledge the payment of the fence, and after the team is started it is proposed to keep out twenty-five percent of the gate receipts of each game to apply on the purchase price of the fence.

The canvas fence will be a good thing not only for the use of the baseball team but it can also be used in cases of games of football or other athletic events held by the school, which will make it possible to charge admission to all such affairs. Investigation showed that there had been pledged by the citizens a total of \$250 for immediate collection, and others had agreed to pay a certain amount each month, which will amount to something like six dollars a month. It is hoped that this amount, in connection with the gate receipts, will be enough to keep the team in operation and give us some good games during the coming summer.

It is proposed to hold the first game of the season on Decoration day, at which time a lot of business as well as things can be got in readiness as soon as this, as on that day the greater part of the stores will be closed and it will be possible for a great many to attend the game if they so desire.

Miss Dupre the Winner.

In the Normal assembly hall, at Stevens Point, Friday night, was held the district high school declamatory contest. The contestants were students that had taken a first or second in a league contest in which two or three schools were represented. There were three contestants. At the close of the program, President Pavy read the judge's decision which gave the places as follows: Fourth place to Viva Haskell of Hammond, who recited "Madeline's Victory," third place to Miss Gladys Johnson of Wausau, her declamation being "January," second place to Benjamin Sore of Sparta, subject, "Interpretation of Cuban Independence," first place to Miss Edna Dupre of Wausau, who had for her declamation, "Madeline Barbicane."

Miss Dupre, winner of this contest, will represent the district in the state declamatory contest to be held in the near future at Madison. Miss Dupre took second place in the league contest at Wausau and Miss Johnson, who took first place there, was placed third at Stevens Point.

Judges were Sup. A. J. Lutton of Medford, Miss Edna Michaels of this city and Prof. W. J. Hamilton of New London.

Will Play the National Game.

The Elks have organized a baseball team again this year, and having started in early spring to get into condition so that they can put up a good game. After a little practice they will probably meet some of the Elks teams from neighboring towns for a friendly contest.

Bargains in Lingerie at Daly's.

Church Notice.

"Benighted Disturbers of the Peace," or "The Man With the Muck Rake" is the subject of the sermon in the Congregational church next Sunday morning. Address in the evening on "Washington." All are invited.

Grand Rapids Tribune

BY DRUM & SUTOR.

Grand Rapids, Wis., May 16, 1906.

Entered at the Post Office at Grand Rapids, Wis., as second-class mail matter.

SUBSCRIPTION RATES.
One Year, \$1.50.
Six Months, 75c.

Advertising Rates. For display matter a flat rate of 10 cents an inch is charged. The volume in "The Tribune" at 25 cents a line, making a one column advertisement cost \$2.50 for one insertion. All back orders, cards of thanks, notices of entertainment, and all notices of entertainment, where an advertisement is charged will be published at a cent per line.

Within a few weeks the democrats of Wood County will be called upon to perform their duty as citizens. The State Central committee of their party has decided to hold a state convention some time in June for the purpose of formulating a platform of principles. Delegates will be elected from the people of the different towns of the county to assemble at the county seat for the purpose of electing delegates to represent the county at the state convention. It is for the good of the party that every man who has the welfare of his state and his own interest in mind to attend the convention and select the ablest men of his town to represent them at the convention so that a representative delegation may be sent from this county to the state convention. At the county convention it would be proper to have resolutions introduced making plain the sentiment of the democrats of this county on the present government by commission in Wisconsin, the tariff, trust and other evils that are the cause of excessive taxes and other ills that the people are subjected to at this time. Recommendations from the people, then the delegates they elect, are always in order and the place to make them is at the county convention. Let every democrat who stands for government by the people take part in selecting the men who will represent him. A notice of the holding of a convention will be published later.

ST. PAUL ROAD CUTS TIME TO MILWAUKEE.

With the most up-to-date equipment, much of it ordered for the special purpose, the Chicago, Milwaukee & St. Paul road, on April 30, cut the time on two trains each way between Chicago and Milwaukee from two hours to one hour and forty minutes. This makes the schedule of the four trains the same as that of the "fast mail" train and covers the distance of eighty-five miles in the minutes.

For a long time the St. Paul officials have recognized the need of a faster service between the two cities, and have believed that a passenger service could be maintained on the same schedule as the mail train. That this is not only possible, but practical, the records of the "fast mail" show, it having frequently covered the distance between the two depots in exactly sixty-seven minutes.

CHANGING DECIDED UPON.

With this case in view, it was decided to make the change and establish two fast trains each way daily, making twenty-one trains a day between the two cities. Accordingly official announcement was made yesterday that two new trains, "The Milwaukee Special" northbound, and "The Chicago Special" southbound, would be instituted, while the route of the train that leaves Chicago at 3 p. m. and Milwaukee at 4 p. m. would be shortened up to the fast schedule. The first train is named the Oconomowoc Special and the latter the Kanasa City and Omaha Express.

Under the new arrangement the Milwaukee business man can leave that city on "The Chicago Special" at 8 a. m. and be in Chicago at 9:45 a. m. in plenty of time for business. He can return home either on "The Oconomowoc Special" at 3 p. m., or on "The Milwaukee Special" at 4 p. m., arriving home one hour and forty-five minutes later.

GOOD EQUIPMENT PROVIDED.

"The Kanasa City and Omaha Express," which leaves Milwaukee daily at 4 p. m., is so scheduled as to make good connections in Chicago with "The Southwest Limited," which leaves at 6:05 p. m. The schedule allows fifteen and twenty minutes respectively for transfer.

The new trains have now up-to-date equipment with parlor car and coaches. "The Milwaukee Special" carries a diner. No stops are made by these trains and the officials declare that there will be no difficulty in making the time on "The St. Paul's" double-track road, protected by block signals all the way.—Chicago Factor Ocean, April 30, 1906.

COLIC, CHOLERA AND Diarrhoea Remedy

Every man of a family should keep this remedy in his home. Buy it now. It may save life.

Price, 25c. Large Size, 50c.

OUR COUNTRY CORRESPONDENTS

YANDRIESEN.

Ward Weldon of Plainfield is moving on May. Smith's farm formerly owned by Almo Bailey.

Miss Edith Rose is home for a few days visit with her parents. She will return to her work at Grand Rapids Wednesday.

Alonso Bailey has moved his family on to H. L. Thornburg's farm known as the U. D. Hoffman place.

Miss Rose Mulkin is spending a few days at home. She will return to her work at the Rapids in the near future.

George Harding returned to his home at Spencer Friday after enjoying a ten days' visit with his sister, Anna Warren and family.

Geo. O'Neil of Chicago has moved back to his farm on the Portage road. He will erect a new house in the near future.

The party at the home of John Hays Friday evening was well attended and all reported a very good time.

John Gushy is building a very cosy new house.

Not It is Rich as Rockefeller. If you had all the wealth of Rockefeller, you could not buy a better medicine for your loved complaints than Chamberlain's Colic, Cholera and Diarrhoea Remedy.

The most eminent physician cannot prescribe a better preparation for colic, cholera, and diarrhea, both for children and adults. The uniform success of this remedy has shown it to be superior to all others. It never fails, and when it is reduced with water and sweetened, it is pleasant to take. Every family should be supplied with it. Sold by John E. Daly, Druggist.

NEKOUSA.

This morning a force of carpenters began work on the new ferry boat and it will probably be in shape to launch and christen by the time the rains, with a foot of snow at each end, will be in the water.

The cable across the river will be 100 feet long and the drive cable 1800 feet, the width of the Wisconsin at the point where the ferry will cross being something over 300 feet. The cables have been ordered and it is expected that they will be here in a week or two so that the work of installing the ferry can be pushed right along as rapidly as the work can be done.

A meeting held in the Port Edwards town hall, Saturday, May 5, the farmers of that town organized a local union of the American Society of Equity with 11 charter members, officers being elected as follows: president, Henry Forbush; vice president, Albert Marcus; secretary, L. T. Ellis; treasurer, C. J. Lambart; T. Ellis; and others.

It is expected that a large number of other farmers of the town will also join the union.

Orino Laxative Fruit Syrup is best for women and children. Its action is gentle and pleasant, tastes makes it as palatable as candy. Get the booklet and a sample of Orino at John E. Daly's, the druggist of the Wood County Telephone Co. held at Grand Rapids on Tuesday, it was decided to put in a new switch board with 100 drops at Nekoosa and to rewire the town, thereby greatly improving the service. The new outfit will be ordered at once and as soon as it arrives the work planned on will be commenced.

John Brooks and family are here from Washington to visit at the home of Mrs. Brooks' parents, Mr. and Mrs. Charles Lewis. Mr. and Mrs. Brooks intend to move back to Nekoosa.

SHERRY.

Two late for last week. Mrs. Bayor of Grand Rapids is visiting her son John, and family here.

It is said that a large academy is to be established in this community but nothing definite is known. We all hope the report is true for the people here are desirous to obtain it.

Paul Briel has painted the hall in the village which gives it a much better appearance.

Kidney complaint kills more people than any other disease. This is due to the disease being so insidious that it gets a good hold on the system before it is recognized. Foley's Kidney Cure will prevent the development of fatal kidney trouble. John E. Daly, druggist.

Arbor Day was observed in the graded schools here and a much improved school yard is the result as well as neat grounds inside, the teachers and students' motto being "Cleanliness and Beauty." Three shade trees were also planted.

The meat market recently established here by Chas. Sommers, is doing a good business.

Stomach Troubles.

Mrs. Sue Martin, an old and highly respected resident of Potosi, Miss., was sick with stomach trouble for more than six months. Chamberlain's Stomach and Liver Tablets cured her. She says: "I can now eat anything I want and am the proudest woman in the world to find such a good medicine." For sale by John E. Daly, Druggist.

CRANMOOR.

Eggs for hatching from pure bred winter laying White Wyandottes and S. C. White Leghorns.

\$1.00 and \$2.00 per setting.
\$1.50 and \$3.00 per two settings.
Special prices in large lots.
White Holland Turkey Eggs \$2.50 per 10.

J. W. Fitch, Proprietor

Cranmoor, Wood County, Wis.

KELLNER.

Your correspondent has been so busy for the past month or so as to have never thought to write any items, but if he excused this time will never in an again.

John McGirr was a Kellner visitor the first part of last week. Mr. McGirr has two families living on his ranch south of here this summer.

Granger & Brockway are loading a car of lumber for the Badger Box and Lumber Co. of your city. They have nearly finished all the custom sawing. They still have nearly all summers work for the Badger Box and Lumber Co.

Wm. Compton of your city was out after two loads of slab wood at the mill last Friday.

W. J. Granger, G. H. Munroe and J. W. Jones were business visitors in your city Thursday afternoon.

Miss Amanda Bass, who is staying in your city with Mrs. Carter spent Sunday at home, returning Monday.

Mr. Kordenat of your city was a business visitor in our burg Friday afternoon.

Mr. Knig, representing Anson Cady and Hiscutt Co. of Green Bay, and Mr. Albee for Plumb Nelson & Co., were looking after business here last week.

Little Stewart Carter is visiting his grandmother, Mrs. A. M. Ross for a short time.

Geo. Vorkowig and Mr. Smart of Muelan, were business visitors here Monday.

A merry crowd assembled at Wm. Timm's Saturday evening and passed a few hours in dancing and playing various games. Every one reports a good time.

Mrs. G. H. Munroe expects to visit with relatives in Adams Co. for the next two or three weeks.

Mrs. Orville Brockway and Mrs. Mitchell visited with friends and relatives at Babcock last week.

Rev. and Mrs. Krschke and son Johnnie, are at Stevens Point for a few days visit with relatives.

Have you pains in the back, indigestion, flatulence, or constipation, or any of the Rocky Mountain Tea makes you well, keeps you well. 35 cents. Johnson & Hill Co.

H. R. Nelson, our genial grocery man, transacted business in your city Monday.

John Smith of South Centralia, visited at W. H. Witt's Sunday afternoon.

C. D. Yatter, our blacksmith, is confined to the house with a severe cold.

W. J. Granger has a nice lot of sixteen inch oak staves which he will sell at reasonable price, also pine slabs from the sawmill. Telephone No. 2, four rings.

Winter time again or nearly so. It has been a bad spring for farmers around here. So much cold, wet weather has retarded all kinds of work and crops that are in soon to be making very poor progress.

Mr. Ely of Spring Creek visited with G. H. Munroe a couple of days. Mrs. Munroe and children went back with him for a visit. Our blacksmith now wears the cook's apron at Munroe's.

A merry crowd of young folks assembled at the home of Aug. Miller Saturday evening as a farewell to Reinart. Dancing and various games were indulged in and a very pleasant evening was spent by every one.

Last Thursday at the Lutheran church occurred the wedding of Chas. Fanner of your city and Minnie Quake. Both young people were general favorites and their many friends wish them a long and successful life.

Saturday is getting to be a very busy day for our merchants as more and more of the people stay at home to do their trading.

Frank Pribanow had the misfortune to lose one of his horses Sunday night. There seems to be a good many horses dying here this spring.

Ferdinand Brandt and Henry Kruger are loading a car of slabs for the sawmill company. Quite a number of cars of lumber and slabs left our little mill this spring.

W. J. Granger returned from your city Sunday evening with a new horse and buggy.

Wm. Panter was out with a load of flour and feed for G. H. Munroe and Co. last Friday.

Reinart Miller left Monday for Minneapolis where he has employment.

One of Albert Timm's young colts died Monday morning.

Mr. Fawcett of your city was in our burg Sunday afternoon. No one knows him first without his long whiskers which we were all accustomed to seeing.

Quite a number from here attended the stock fair Tuesday.

SARATOGA.

Messrs. L. and C. Thornberg are building new houses north of the town creek.

Mr. and Mrs. O'Neil and son of Chicago, have moved on the Ira Hoffman farm. We hope they will have better success than the former owners.

Fred Wohlsten's nephew arrived on Tuesday from Chicago. His stay is indefinite.

The parents of Miss Lottie Withers made a visit to our school Friday. Clyde and Marvella Winegard were visitors on Chicago Avenue Sunday.

We think that spring is rather late in arriving up in this corner of the world.

John Keough and M. P. Johnson are serving as jurors at Grand Rapids this week.

Mr. and Mrs. Charlie Johnson are rejoicing over the arrival of a baby girl born a week ago last Sunday.

E. L. Phillo and the town board finished up their job of surveying in the town Saturday.

Miss Sophia Peterson of Eau Claire spent Sunday at the Rasmussen home.

—Wood and Coal. Bossert Bros Telephone 54.

—Overhauled bicycles from \$5 up at Krieger's.

Respectfully submitted,
Geo. W. Davis,
County Clerk.

To the board of supervisors of Wood County, Wisconsin.

Gentlemen:—Your committee on finance to whom was referred the report of the county clerk on orders held and uncalled for in his office for two years and over, would respectfully report that they have examined the report and the orders and find that the report is correct as stated. We have cancelled the orders and the stubs; also marked cancelled on the record of each order. We present the order to your Honorable Body for destruction as you may see fit.

Signed
William Hooper
P. Mulroy
P. P. Hinrichsen
F. R. Pollard
Finance Committee.

Mr. Brown moved that the report of the finance committee be accepted and the orders destroyed by same committee. Carried.

To the honorable county board of supervisors of Wood County, Wisconsin.

Gentlemen:—We, the undersigned, special committee to whom was referred the matter of building a sheriff's barn, and the matter of poor farm and buildings for same, beg leave to submit the following as our report.

With reference to the matter of the sheriff's barn, we have given the matter careful consideration. Find that a suitable barn for the use of the sheriff is greatly needed and after looking over the available ground for same, we would respectfully recommend that the county cause to be built a sheriff's barn 24 by 36 feet with 12 foot posts, on a good stone foundation and with a cement floor, same to be located in the rear of the jail in such position as to avoid being placed over the pipe line across the road, the right to maintain, repair and remove which was reserved by P. L. Witter to him or herself, and assigns forever in the deed thereof to the county, such barn to cost, not to exceed, twelve hundred dollars. (\$1200.00)

We therefore offer the following resolution:

RESOLVED, by the county board of supervisors of Wood County, Wisconsin, that there be and hereby is consigned to the county fund appropriated out of the general fund the sum of twelve hundred dollars (\$1200.00) with which to pay for the building of such sheriff's barn; that building of such barn in the directions of such committee as the chairman of this board may appoint, and that the county clerk be and he is hereby authorized to draw orders in the aggregate not to exceed said amount upon the written request of a majority of such committee.

E. M. Deming, move the adoption of the resolution.

With reference to the matter of the poor farm and buildings for same, we beg leave to report that we have made a thorough inspection of such farm and buildings, and while the buildings are in a poor condition and far from what they should be, we believe that it would not be a judicious expenditure of the county funds to attempt to build such buildings thereon as are now and in the future will be needed, for the reason that we do not regard such farm as a suitable tract of land upon which to erect buildings for a permanent poor farm.

We beg leave to further report that after expending money for permanent buildings on a poor farm, it would be advisable for the county to secure a better tract of land to be used as a poor farm, upon which to erect such permanent buildings, and to that end we have secured a thirty day option from April 21st, 1906, on the north half of the southeast quarter, and the southeast quarter of the southeast quarter of section 21, and the south half of the southwest quarter of section (23), twenty-two, all in township twenty (20) east in Wood County, Wisconsin, being two hundred acres in the town of Wood, just outside of the limits of the city of Pittsville, of which we are informed 60 acres are cleared with forty acres clear from stumps, and the balance good wood land, all of which land is of a clay soil with a slight mixture of sand, is provided with running water by means of a good spring and the Yellow river crossing the premises, is without buildings, and can be had for fifty five hundred dollars. And for the purpose of placing the county in a position to provide a suitable poor farm, we recommend that if on inspection thereof, your committee are satisfied that the same is suitable for such purpose, it be authorized to purchase the same.

All of which is respectfully submitted.

Dated Grand Rapids, Wis., this 2nd day of May, A. D. 1906.

E. M. Deming
G. W. Brown
J. O. Kieffer
Ed. Provost
Committee.

RESOLVED, by the county board of supervisors of Wood County, Wisconsin, that there be and hereby is appropriated out of the general fund the sum of fifty five hundred dollars with which the said special committee is hereby authorized to purchase the above described lands if on inspection thereof, they or a majority of them, shall deem the same suitable for a poor farm, and that the county clerk be and he is hereby authorized to draw an order for that amount upon

on the southeast corner of the court house grounds, instead of in the rear of the jail. Dated May 3rd, 1906.

E. M. Deming
J. O. Kieffer
G. W. Brown
Ed. Provost
Committee.

Your special committee on poor farm and buildings, and standing committee on poor farm and poor accounts recommend that the county do no further building at present on the poor farm, and that these committees be authorized to investigate the matter of a site for a new poor farm. Dated May 3rd, 1906.

E. M. Deming
J. O. Kieffer
G. W. Brown
Ed. Provost
J. O. Kartz
Committee.

Mr. Arpin moved that the report of the special committee and committee on poor farm be adopted. Carried.

To the board of supervisors of Wood County, Wisconsin.

Gentlemen:—Your committee on general claims to whom was referred the following entitled claims, would respectfully report that we have had the same under consideration, and after a careful examination of all items contained therein, recommend that the several amounts as set forth in this report be allowed each claimant respectfully to wit:

Name of claimant	Amount Claimed	Amount Recommended
T. J. Cooper	\$14.36	\$14.36
McClintock	39.39	39.39
E. D. Ayers	19.40	19.40
P. McLaughlin	92.74	92.74
J. J. Cowell	46.25	46.25
Henry Forbush	9.12	9.12
Alfred Fisher	1.00	1.00
A. B. Cotey	90.26	90.26
	\$325.65	\$325.65

Mr. Cotey moved the adoption of the report. Carried.

The following resolution was offered by Mr. Brown.

RESOLVED, by this county board that there is hereby appropriated to Central Wisconsin Fair association, the sum of \$500.00 out of the general fund of the county.

Continued Next Week

BIRON.

Mr. Fisher and wife with their two little girls, were visiting at Mrs. Fisher's parents at Randolph Sunday.

Fred Weber of Appleton is working at the mill as back tender.

We experienced a couple of real summer days last week, and if everything goes all right we may expect some more weather of the same kind along in September or October. The crop of grass and mosquitoes promises to be good again this summer. Not much doing in other lines.

The prom given at Spafford's hall on Friday evening by Art Rindeman and Edwin Harding was well attended and all present report a very good time. The hall had been prettily decorated for the occasion and this fact added very materially to the pleasure of the occasion.

Excursions via the Green Bay Short line to Appleton, Wis., May 16, 17, 18 and 19 for \$4.00 for the round trip. Tickets good to return to and including May 21. Leave Grand Rapids 6:40 a. m., arrive at Appleton at 11 a. m. These rates are given for the Inter-Scholastic Academic and Athletic contests.

—The Grary Tours commence at the Methodist church on Monday evening, May 21st. Secure your season tickets now. You do not take any chances, for if you buy a season ticket and are not satisfied with the entertainment put up, you can get your money back.

Prof. Corlies Bulger, who conducted the dancing class in this city last fall, was in the city on Saturday and completed the arrangements to put on an amateur play here in the near future. The play will be under the auspices of the Young Ladies Sodality of the Catholic church. Mr. Bulger returned to his home in Necedah Saturday evening, but will be back here in a short time to commence rehearsals for the new play.

Lafe Brooks has been visiting his friends about the city the past few days. Mr. Brooks and family returned last week from the state of Washington where they have been living for some month past, and have been stopping with Mrs. Brooks' parents at Nekoma since their return. Mr. Brooks states that he has not made up his mind as to whether he will remain in this country or return to Washington again.

Excursions via the Green Bay Short line to St. Paul and Minneapolis on May 25, 26, 27 and 28, for \$7.45 to St. Paul and \$7.65 to Minneapolis for the round trip. Leave Grand Rapids at 10:33 a. m. and arrive at St. Paul 4:45 same afternoon. This is the best time to be made from Grand Rapids.

To enable passengers to spend Sunday, "May 26th" in the Twin Cities, we will run a passenger excursion to St. Paul and Minneapolis, via the Wisconsin Central Railway. Tickets will be on sale May the 19th, at \$3.00 for the round trip. Good on trains leaving Grand Rapids, at 9:35 a. m. and 5:05 p. m., arriving St. Paul, 4:40 p. m. the same evening and at 3:15 a. m. the next morning. Tickets will be good on trains leaving St. Paul and Minneapolis Sunday evening at 7:40 p. m. and Monday morning at 8:35 a. m., arriving Grand Rapids 8:30 a. m. and 8:20 p. m. For further information, please apply to J. W. Hancock, Agt.

—It will pay you to look over the bargains in wheels and tires at Krueger's, he is closing them out.

Will Nash, who has been in the employ of the General Paper company for some time past, arrived in the city on Sunday and after spending a few days in this city and vicinity, he will start out on the road for the John Edwards Manufacturing Co., and the Central Pulp and Water Power company. Lawrence Nash, who has also been with the General Paper Co., has accepted a position with the Nekoma Paper company to sell their product on the road, having started on the discharge of his duties on Monday morning. Their change in location was brought about by the dissolution of the General Paper Co.

—FOR SALE—I offer for sale for \$3000 my homestead in Block 18, original plat of Contralla. Inquire of F. H. Jackson.

So far as we have been able to discover, W. W. Meade holds the record so far this season for large trout, having landed one last Sunday that weighed 3 pounds the three quarters of an ounce. This is an unusually large fish to catch from any of the small streams in this neighborhood and the catching of such a monster is enough to fill all of our local fishermen with envy. Mr. Meade has a winning way about him that the trout seem unable to resist, and there never a season passes that he does not do something along this line to surprise the boys.

—Do not neglect to secure season tickets for yourself and family for the Grary Tours which occur at the Methodist church, beginning on May 21st. They will be worth your while.

Improvement in Public School.

At the regular meeting of the Board of Education held last Monday evening, May 7th, it was voted to incorporate a commercial course in the high school of this city. The question of the advisability of incorporating a commercial course in the high school course of this city, was referred to the teachers and texts committee for investigation at the former meeting of the Board of Education. The committee on careful investigation found, upon investigation of the enrollment in the different classes in the high school, that a number of the classes have been over crowded this year, and that to secure the best results in high school work it is imperative that an additional teacher be provided to relieve this condition. It was found that a teacher capable of giving instruction in the branches outlined in a commercial course would relieve the over-crowded condition. In view of this fact, the committee deemed it advisable that in hiring the additional teacher, that such teacher be one capable of giving instruction in and taking charge of the commercial course. It is estimated that a competent teacher for this work can be hired at about the same price which it would be necessary to pay to a teacher teaching the other high school branches. The only additional expense of installing the commercial course would be the cost of equipment. This expense could be kept within a small amount by renting the typewriters, if that is deemed advisable. The committee were unanimous in their opinion that the commercial course would be a valuable addition to our high school course.

The question of the advisability of extending the present school year over a period of ten months was also referred to the committee. The committee reported that in view of the fact that the putting in of the commercial course was recommended, that they deemed it wise to report adversely upon the question of the proposed extension of our school year, for the reason that it would mean considerable additional expense.

C. E. Convention Meets at Madison.

Madison, Wis., May 11.

The Christian Endeavorers of Madison are making elaborate preparations for entertaining the state convention of the society, which meets at the Monona Lake assembly grounds June 30—July 4. A program of rare excellence will be offered. Among the speakers already engaged are the Rev. E. Bourner Allen, of Toledo, O., who will represent the United society of Christian Endeavor; Miss Eva Shultz, and Miss Grace Curtis Glenn, the well known missionary lecturer. A comprehensive program is being arranged by the state board. On the fourth of July the services will be of a patriotic character.

The convention will be opened Saturday, June 30 by President W. O. Carrier, of Carroll college, the state president. In the evening there will be a song service on the lake shore and an address by Rev. E. Bourner Allen. On Sunday morning the delegates will attend services in the city. Other meetings included vespers services, a morning watch, conferences on C. E. work, a junior rally, a talk on the subject of the endowment Memorial headquarters, a "candle light" service, the reports of committees, the awarding of banners, talk on the "Increase" campaign, and addresses each day by pastors, laymen, prominent achievers, and by men who have achieved distinction in public life.

One feature of the convention, as attractive as it is unusual, will be the setting aside of two afternoons to be devoted exclusively to athletic sports, which will take the form of contests, games and races.

About a thousand delegates and visitors from all over Wisconsin are expected to attend. They will be entertained, not in the homes of Madison citizens as in the usual custom, but in tents under the trees on the assembly grounds. Among the outing features being planned for the entertainment of the delegates are steamboat excursions, picnics on the Chautauque grounds, trips to the University, state historical library, state capital, and the lake shore drives and street car rides. The opportunity to combine a summer outing and a great Christian Endeavor convention is unique, and it is believed is one that has never before been offered by any state union.

A Modern Version.

O father, dear father, come home with me now; ma says you've the carpet to beat. She's got all the furniture out in the yard, and most of your traps in the street. The stove must come down and be stored in the shed, and the yard freed from weeds and dead grass, for it's house cleaning time, and the mischief's to pay, and you needn't give ma any sass. O father, come quickly, and do bring some lunch, for there's nothing to eat at the house; all the scraps you find there in the cupboard so bare, would scarce be enough for a mouse. And hurry, dear father, go with me right now, for ma is mad as a Turk; she says you're a no account, lazy old thing, and she'll thrump you for failing to work. There's painting to do and paper to hang, and the windows and casing to scrub, and till it's all done we'll see no more fun, and we'll revel in slops and cold grub.—Ex.

Rural Carriers to Meet.

The Rural Letter Carriers' Association of Wisconsin will hold its annual convention at Milwaukee Thursday the 30th of May. Memorial day was selected for the meeting because it is one of the few days of the year when the rural letter carrier can leave his horse and cart in the barn and, forgetting his ordinary route of twenty-five or thirty miles, enjoy himself as best suits his fancy. There are more than 1,400 rural letter carriers in Wisconsin and the Wisconsin association is anxious to have all carriers identified with it as members. It is expected that a large proportion of the rural letter carriers of the state will attend the meeting at Milwaukee and they are invited to do so whether members of the association or not.

AMONG CRANBERRY MEN.

EDITED BY W. H. FITCH.

(All communications and special exchanges relating to this department should be sent to Cranberry, Wood County, Wis.)

State Work.

In the twenty second annual report of the Agricultural Experiment Station of the University of Wisconsin, and which is sent free to all residents of the state upon application, are some valuable articles by Professor A. R. Whitson, L. P. Hawkins and O. G. Maldo, concerning cranberry investigations.

From them it appears the crop of Wisconsin for 1905 was not a very successful one for a large production. The prospects for the crop at Berlin was almost entirely destroyed by June floods, and that the damage by water, while not so great in other regions, undoubtedly amounted to considerable. The severe frost of August 8, 1904, it is also believed greatly affected the 1905 output, in addition to which there was a frost not so severe but damaging on May 26, 1905. Considerable damage was also inflicted on some marshes by the fruit worm which appeared quite abundantly in some localities. Altho in cases of frost and floods which came so early it is difficult to calculate the loss, it is estimated the crop was one half of what it would otherwise have been.

On account of early and full budding and the healthy, vigorous growth of vines on nearly all marshes, the prospect this year is for a heavy production, but it is suggested that the fruit worm may return in great numbers as they are very much in evidence this year. The fruit dropping from the berries being quite favorable to the formation of cocoons.

The proper period for taking off the winter pond is a matter of great interest and importance to growers, and concerning this subject the report has the following:

"The winter pond on the main part of the Experiment Station was drawn in several inches below the surface in April 21, but in one case designated in Bulletin 119 as S. F. plot 1—the water was held until May 1st. Frequent flooding was necessary to keep the water over the vines. On the date of drawing the water from this plot, the vines upon it showed no signs of new life, while those of the remainder of the station had begun to take on a green color and showed considerable growth in the bud. The vines where the water was held until blossomed from one week to two weeks later than those where the water was drawn early. Altho the blossom developed more nearly together in the former case, the berries were much behind in growth, where the water was held late, all thru the growing season and at picking time, September 20th, the berries on this plot were much greener than on the others. The sanding of this plot together with some others make a comparative yield of no value for this year.

The results here given are for one season only and cannot, of course, be taken as conclusive proof of the value of early drawing of winter ponds." Of unusually good vines will always be regarded with interest and given due attention.

Fruit Growers Meeting.

(May Trade Journal.)—Macon, Ga., May 2, 1906. The annual meeting of the Georgia Peach Growers' Association will be held here next Thursday. Commission houses to handle the crop will be selected; transportation, refrigeration and terminal facilities in New York will be considered, and other business transacted.

The association now has about 400 members and a large attendance is expected. It is now practically an established fact that a fruit crop is an assured fact this season, and at this meeting a number of very important matters in connection with the marketing of this crop will be under consideration. The program of the meeting will include among others the discussion of pertinent subjects all of which it will be extremely profitable to have fully discussed by the growers, shippers, crate manufacturers and transportation companies. Some of the subjects will be as follows:

What improvements, if any, will there be in the shipping facilities? What routings of cars will be most advantageous, with a view to prompt service by the railroads, and most advantageous terminal facilities and deliveries? What assurances can the shippers of fruit from the territory represented by this association have, as to special, quick, and reliable schedules between points of shipment and delivery?

It is hoped by the fruit men that the railroads will be prepared to take a prominent and leading part in this discussion. The growers, they say, are entitled to have the advantage of the information that only the roads can furnish on these vital points.

Among other subjects discussed will be the following: What advantage, if any, may be derived from employing inspectors to represent shippers at all icing stations and at points of delivery, to insure proper refrigeration and to note irregularities or failures to refrigerate, and delays on part of railroads in handling cars at icing stations and in deliveries.

Also what advantage, if any, may be secured for having ice inspectors at the larger markets to report condition of daily arrivals, and general daily condition of the markets. In this connection, whether it will be possible to successfully undertake, as an association, to provide for such inspection and reports for the benefit of the members of this association.

The question of fruit packages. What is a reasonable price? This very important matter should be discussed fully by the manufacturers of crates and by the men who must use them, say the growers.

The committee on transportation will make its report, and it will be in order to discuss the matter of the probable benefits to be derived from pending legislation by congress on this subject. The committee on commission houses will also make its

report, and a discussion will be in order in this connection, as to the advisability of selling on tracks at orchards. Other matters, general subjects of interest to fruit growers will be in order.

Now that co-operative action has been taken between large and leading cranberry growers in Wisconsin, the foregoing regarding movements in other localities will be found of interest and suggestive as bearing on progressive methods of marketing, connected with transportation, inspection, packages etc.

Extension in East.

[Warham (Mass.) Courier.]—The Mt. Carmel Cranberry Co. of New Bedford, has recently been organized with a capital stock of \$50,000 and the following officers: President, Mayhew R. Hiteh, New Bedford; Treasurer, Edward P. Washburn, New Bedford; clerk, Lemuel LeBaron, Dexter. The company has bought the Palmer swamp at Mt. Carmel, consisting of about 100 acres, and has 20 men employed in building 15 acres of bog.

Middleboro.—Samuel D. Washburn of Boston, will soon complete 15 acres of cranberry bog near North Carver, and also has 30 men employed at work on land recently purchased of B. G. Shaw near his home in Rocky Meadow, converting 20 acres into a bog for the S. D. Washburn Bog Co. This company has upward of 100 acres which it expects to have under cultivation by another spring.

Orleans.—Mr. Edwards and family of Warham have commenced to set out the vines on the new Cove cranberry bog on the portion that is finished.

Walter E. Trufant of Whitman has purchased additional bog in Carver for cranberry growing purposes.

The West Virginia Cranberry Company, with headquarters at Pomfret, and having an authorized capital of \$20,000 has been incorporated by the following: Dr. Thomas B. Critchfield, Fred Wingfield and William J. DeLaney, former clerk of the circuit court of Portage county. The complaint charges that in April, 1904, DeLaney promised to marry Mrs. Jansen, but refused to keep his promise.

The Wisconsin Benefit Association of Marshfield, a life insurance organization, was re-organized last week. It was decided to move headquarters where the new president lives, which is growing rapidly. The new officers of the association are O. F. Dwight, Milwaukee, president; Mrs. Viola Newman, Milwaukee, vice president; O. G. Lindeman, Marshfield, the cashier of the American National bank of that city; treasurer; T. W. Newman, Cincinnati, O.; secretary; J. Henry Harbeck, Appleton, superintendent of agents; Dr. W. M. Hill, Milwaukee, medical examiner. The above with George H. Reynolds and B. E. Winick of Marshfield and E. H. Gornrich of Milwaukee will compose the board of directors.

An action for \$5000 for alleged breach of promise has been commenced by Mrs. Mary L. Jansen, a widow of Stevens Point, against William J. DeLaney, former clerk of the circuit court of Portage county. The complaint charges that in April, 1904, DeLaney promised to marry Mrs. Jansen, but refused to keep his promise.

The Tribune acknowledges the receipt of a catalog from the Ripen College for the year 1906. Among the students in the conservatory of music is Miss Irene Gilkey of this city.

Wednesday afternoon at 2:30, May 23, Grand Tidings Circle of the Baptist church will meet with Mrs. D. Y. Morrill. A ten cent lunch will be served. Every one cordially welcome.

—We have a fine selection of wedding rings. Daily Drug & Jewelry Co.

Mr. and Mrs. Barney Sczymanski of Nekoma have moved to this city and are now nicely located in the Vivian Newman home on the west side.

T. A. Taylor expects to leave tomorrow for Port Arthur, Canada, where he will be the guest of Wm. Scott for about a week.

Mr. and Mrs. L. M. Alexander of Milwaukee have been in the city the past week, Mr. Alexander attending to some business matters, and Mrs. Alexander visiting with friends.

The Tribune acknowledges the receipt of a catalog from the Ripen College for the year 1906. Among the students in the conservatory of music is Miss Irene Gilkey of this city.

Wednesday afternoon at 2:30, May 23, Grand Tidings Circle of the Baptist church will meet with Mrs. D. Y. Morrill. A ten cent lunch will be served. Every one cordially welcome.

—We have a fine selection of wedding rings. Daily Drug & Jewelry Co.

Mrs. N. Pepin left on Tuesday for Green Bay where she will spend a few days visiting with relatives. From there she goes to Chicago to visit with Mr. and Mrs. Arthur Pepin for a time.

Atty. E. Pierce of Jansenville, attended court in this city on Monday. Mr. Pierce is the attorney for the case of Smith vs. Potter et al. It is expected that this case will be tried this or the coming week.

Victor Kirschling, the month old son of Mr. and Mrs. J. W. Kirschling, died on Saturday of infantile trouble. The bereaved parents have the sympathy of their friends in their loss.

The water in the Wisconsin river raised a foot or more on Monday night, indicating that a heavy rain fall had occurred north of here. The fall had commenced to fall again almost immediately, and only reached the five foot mark.

—Hurry Neiman, the west side shoe repairer, wishes to inform the trade that he is again back at the old stand and is ready to do all kinds of repairing. Good work, prompt service, and reasonable prices to all.

Richard Harvey left on Monday for Phillips, near which place he will occupy the position of floor in a saw-mill. Mr. Harvey had expected to leave for there a month ago, but the mill was a new one and was not completed by the time it was expected that it would be.

The members of the Eastern Star at Stevens Point entertained a number of the members of their sister lodges at the hall Monday evening, and it was the intention of a number of the members of the order to attend from this city, but the threatening weather of that afternoon and evening kept them at home.

Johnson & Hill Co. have recently had a large sign painted on the front of their hardware department, and owing to the misspelling of one of the words therein, some member of the firm has been busy most of the time explaining the mistake to observers and going in to apprise them of the fact.

Mr. Geo. E. Gustlin of Almond, Portage Co., and Mrs. Ernestine Quirk of Grand Rapids, were married on Thursday afternoon, May 10th, at the home of the bride's brother, Geo. Otto, 549-7th Ave. S. Rev. Fred Staff of the Congregational church officiating. Mr. and Mrs. Gustlin will make their home on a farm in the town of Almond.

A game of baseball was played at the fair grounds on Sunday between a team from this city and the nine from Nekoma. The home boys proved too strong for the visitors and the score at the end of the game was 21 to 5 in favor of Grand Rapids. The boys report that Nekoma has not yet as strong a team this year as they have had in previous seasons.

A part of the road between the city and the south side has been in rather poor condition this spring, and it would be a wise move for the city fathers to do something that would put that part of the road into permanent repair. It carries a lot of travel during the year, and there have been times during the past spring when it has been nearly impassable.

—Wood and Coal. Bossert Bros Telephone 64.

The sale of land advertised for taxes was held at the county treasurer's office on Tuesday, and there were quite a number of people in attendance from all parts of the county. There was quite a list advertised for sale this year, but a large number called and paid their taxes, only a day or two before the sale was held, so that it was not so large as was at first expected it would be. Most of the land advertised was picked up as soon as offered and there was not much delay in the matter.

Rob Nash was taken quite sick on Tuesday evening and the attending physician pronounced it a case of ptomaine poisoning. He was about town during the coming and during the time to some ice cream, soon after which he was taken violently ill, and continued to get worse until a physician was called and he was given relief. It is supposed that the poison was in the ice cream, altho it may have been in something else that he ate. He is practically all right again at this writing.

—If you are looking for a bicycle bargain you should see Krieger. He is selling out his stock of wheels at a very low figure.

A gentleman from out of town who had occasion to do considerable business about the city while here, stated that we have the best telephone service in Grand Rapids of any place he had ever been. He stated that as a general thing when he called up central here that the girl at the switchboard was inquiring what number he wanted before he could get the receiver up to his ear. "This from a man who has used many of the exchanges both of this and other states, is worthy of notice.

Valentine Wisnietz, found guilty of slandering at the sheriff and a posse of deputy sheriffs who tried to capture John P. Dietz of Cameron dam fame, was sentenced to twelve years in the state prison at Waupun by Judge Vinje. When Dietz held up the Chippewa Falls boom company's log drive at the Cameron dam, which adjoins his land, because of dispute over time after time in unsuccessful efforts to produce him in court. Dietz is said to have held his "fort" at the dam, on his own land, with a rifle, and kept the deputies at bay. Wisnietz was a neighbor of Dietz and helped him hold his "fort" against the posse. While he was aiding Dietz the sheriff organized a new posse and Wisnietz fired upon them when they approached with intent to kill.

Specialists FROM THE Cleveland Institute of Medicine and Surgery. Cleveland, Ohio. Will Pay Their First Visit to GRAND RAPIDS, WISCONSIN and will be at the

HOTEL DIXON WEDNESDAY, May 30 Tell Your Sick Friends One Day Only 9 A. M. to 7:30 P. M. FREE

This Institute in order to introduce their new Medical Discoveries and X-Radium System, sends at its own expense these eminent specialists to give to those who call on the above date, consultation, examination, advice and all medicine required to complete a cure, absolutely free.

These specialists will diagnose your case and give you the benefit of their medical knowledge. There is no experimenting or guess work. You will be told whether you can be cured or not. If your case is curable, they will give you such advice as may prolong your life.

Their treatment gives quick relief and positively cures. Being prepared to suit each individual case the human system is thoroughly cleansed of the disease in a natural and direct manner and improvement is noticed at once; even the worst cases are treated without any inconvenience to the patient or the pursuing of his daily vocation. If you are improving under your family physician do not come and take up their valuable time. They wish to give each one plenty of time, but cannot listen to long stories not pertaining to your case.

They have discarded the old remedies used for ages by the medical world and which it would be folly to depend upon any longer for they do not cure, as thousands die depending on them for relief.

BURNED MORTGAGE.

Former Grand Rapids Pastor Figures in Important Ceremony in Milwaukee.

The Milwaukee Journal of recent date contains a lengthy write-up concerning the liquidation of the mortgage on Trinity church, of which W. A. Peterson, formerly of this city, is now pastor. There is also a picture of his reverence in the act of burning the mortgage at midnight. Following is the write-up in part concerning the affair:

With cheers and waving of napkins and floral favors, the congregation of Trinity M. E. church, Bay View, witnessed the burning of the church mortgage at a banquet in the lecture room of the church at which 400 were present on Tuesday evening.

This mortgage of \$1,500 was the last remaining evidence of indebtedness, not only upon Trinity church but the nine Methodist Episcopal churches of Milwaukee, which pooled their indebtedness many years ago, the debt upon Trinity being the last to be entirely discharged, although its membership had contributed the full amount of their own indebtedness, twice over in the work, one member alone giving \$7,000.

Seated at the speaker's table were the present pastor of Trinity church, the Rev. W. A. Peterson, to whom all gave the credit for extinguishing the church debt, his father, the Rev. P. W. Peterson, who helped to organize the Bay View M. E. church, as Trinity was first known, soon after the war; three presiding elders of the M. E. church in Wisconsin, who were former pastors of Trinity; the Rev. J. S. Lean of the Milwaukee district, the Rev. Perry Miller of the Appleton district, and the Rev. T. D. Williams of the Oshkosh district, the Rev. Samuel Legg, who was pastor of the church in the trying times when the Bay View works were in the bankruptcy court and the entire population of the then village of Bay View was sold; Congressman Theodore Olsen, Dr. C. Graham and E. E. Dunning.

The pastor acted as toastmaster after the banquet and fittingly introduced his father to speak of the beginning. Mr. Peterson gave a historical sketch of the church, which he described as the child of Asbury church, Third-av and Washington. The first suggestion that church work be started by Asbury church Bay View and really the first thought of what is now Trinity church, came from Dr. Muller, pastor of Asbury church, the year after the civil war.

The Rev. Henry C. Tilden preached the first sermon, on Saul. The first class meeting was held in John Bishop's house and was led by the Rev. Henry C. Tilden, while the first Sunday school was established by Mr. Peterson, who, on Jan. 26, 1867, was licensed to preach. The first church building was erected on Foster-av and the present church was dedicated in March, 1869.

The Rev. Samuel Legg was introduced as the pastor who "had to lead the church through the hard times twenty-six or twenty-seven years ago." He told of the struggle which began six weeks after his taking charge of the new congregation the death of the owner throwing the Bay View plant into the bankruptcy court and leaving 1,800 men without work.

Mayor Becker had promised to attend the banquet, but to the disappointment of the Bay View people failed to do so.

Congressman Olsen, who returned from Washington for the event, was introduced as an authority upon oriental matters because of his Chinese birth, and gave an interesting sketch of customs in Japan, Shanghai, Hong Kong and the Philippines. He was proceeding to give a description of the Moros of the southern islands when the toastmaster's bell rang and put the congressman out of commission.

At the close of the speech making, the Rev. W. A. Peterson announced that in addition to liquidating the debt of the church there would be something like \$300 remaining as a fund for further work, and outlined a campaign for a \$3,000 pipe organ.

Crazy Tours.
Commencing on Monday, May 21st, there will be given a series of the Crazy Tours, consisting of lectures and pictures by Mr. and Mrs. Crazy.

They have been in the business for a number of years and in many places have gone back for the third time, and wherever they have appeared they have given the greatest satisfaction to those who attended. Their lectures cover a large variety of places and are all interesting.

The entertainments will be under the management of the M. E. church, and season tickets and single admissions are being sold at so low a rate that everybody can attend. Do not miss hearing them while in the city.

At the Methodist Church.
Sunday, May 20, the seventeenth anniversary of the Epworth League will be observed at the Methodist church. The program for the day will be as follows:

8 a. m., sunrise, prayer meeting.
10:30 a. m., sermon to the Epworth League and young people.
7:30 p. m., a special program and installation of officers.
Everyone is cordially invited to all of these services.

Epworth League Day.

Next Sunday is Anniversary Day with the Epworth League. It will have charge of the services in the Methodist church all day. The first will be a service of prayer at 6 a. m., led by the president, Miss Eva Nissou. At 10:30 the pastor will preach a special sermon to the young people. At 7:30 a sacred program will be rendered by the Leaguers, which will be followed by the installation of the following newly elected officers:

President—Rowland Baldwin.
1st vice president—Miss Leona Bean.
2nd vice president—Mrs. A. D. Hill.
3rd vice president—Miss Fannie Palmer.
4th vice president—Miss Vida Riley.
Secretary—Miss Ethel Nissou.
Treasurer—Hugo Lind.

At this service also Miss Eva Nissou, the delegate to the late state convention held at Chippewa Falls, will read her report of the convention.

Some weeks ago the Epworth League was divided into two parts for a contest, one side wearing a red and the other a white ribbon. The side getting the least number of points for attendance at the different meetings of the League during the stated time were to serve a banquet to the whole League. The "Reds" came out ahead, so the "Whites" will give the banquet Friday evening. Also a program of songs, tunes and talks will be given.

The Methodist church has lately bought 125 lots of new official hymnals. These add greatly to the religious services of the church.

Officers Elected.

A meeting of the Kany Manufacturing Co. was held on Saturday in this city, and the following directors were elected: Ernest Oberbeck, Joe Cohen, Geo. Halvorsen, G. J. Kandy and F. J. Wood. After the election of the directors they held a meeting and elected officers among themselves as follows:

President—G. J. Kandy.
Vice president—Joseph Cohen.
Secretary—George Halvorsen.
Treasurer—F. J. Wood.

Mr. Kandy was down from Colby on Saturday and stated that he expected to get his machinery down here and have it set up and in operation inside of thirty days. He also expects that several families will move to this city from Colby to work in the factory, men who have had experience in the business.

Brown Withdraws.

Merrill News.—The announcement from Washington that Webster E. Brown has withdrawn from the race for the Republican nomination for congress after his previous announcement that he would stand for reelection, will make the contest a shifting one. Brown was deemed his small personal following must now look elsewhere for a candidate.

Several candidates have announced themselves but, as a prominent local Republican says "that should W. D. Connor, of Marshfield, chairman of the Republican state control committee, decide to enter the race this matter will be settled as far as the southern end of the district is concerned."

The Pioneers.

The little opera, The Pioneers, produced by the school children on Saturday evening was witnessed by a large number of people the seats in the big assembly room at the high school being filled. There were some very nice solos and choruses in the piece which the children handled very nicely. One serious disadvantage that they labored under, however, was the fact that there is no drop curtain to the stage and the one that was being used for this purpose was much dirtier than the one that was everything that was transpiring on the stage which made the whole affair a great deal like a Chinese play. The children should devote some of the proceeds of their entertainments to the purchase of a drop curtain and it would be a great help to the entertainments that are given.

Trying to Organize Company.

C. A. Carson of Milwaukee, has been in the city the past few weeks trying to organize a company for the purpose of manufacturing cement blocks for building purposes. He has interested several of our citizens in the proposition who consider there is a field here for such a factory, but nothing definite has been done along the line as yet. The blocks are made by a hydraulic process, and Mr. Carson says that when completed they are much stronger and more able to resist wear and weather than the ordinary kind that is made without pressure.

Began the Season's Work.

The Grand Rapids Brick Co., of which J. G. Hamilton is manager, commenced the manufacture of brick for the season Monday. This company generally turns out about a million and a half of brick each season, and the coming year's output will probably be about the same as that of former years.

Rummage Sale.

If you wish to buy some good serviceable clothing for a very little money, call at the old post office building May 25th, and 26th.

ADVERTISED LETTERS.

Gentlemen, Beny, C. E.; Croity, George; Ellis, W. D.; Hogden, Peter; Horton, W. L.; Mills, Charles; Strickland, Fred; Young, Lonja B.

H. WESTFELDT DEAD.

Dies Suddenly in a Barber Chair in the City of New York on Friday.

A telegram was received here by Sam Church, secretary of the local lodge of Elks, on Friday announcing the sudden death of H. Westfeldt in New York City that day. Mr. Westfeldt, being a member of the order in this city. The telegram asked what disposition should be made of the remains, as it was not known where his relatives lived if he had any. The telegram did not give any of the particulars of Mr. Westfeldt's death, but the newspaper dispatches tell about it. Following is one of them:

"New York, May 11.—A man believed to be Hjalmar Westfeldt, manager of the Green Bay Paper and Fiber company of Brokaw, Wis., entered the barber shop of the New Amsterdam hotel today, poured part of the contents of a small phial into a glass of water and drank it. A few minutes later while being shaved he was taken with convulsions and died. The coroner is investigating the case."

In speaking of the case the Wausau Record says:

"The above undoubtedly refers to a man well known in Wausau and vicinity, and the news of his untimely death will be a great surprise to his friends, for he made them easily and they are numbered by the score in this city, and Brokaw where he was for a time employed. When the phial was built there, he was made superintendent, and he introduced the acid system, maintaining his home at the Bellis hotel."

"A little later he was offered a better position and better salary at the Soo, and left for that place, but the company there soon went into bankruptcy, and Westfeldt drifted to the east. Not long after this he made a trip to Sweden, and it was while he was there that a report of his death became current, and was so published in the newspapers. Upon his return to this country, he became connected with the Green Bay Fiber company, with which concern it is understood that he was connected with when he made the trip east."

"The telegraphic reports give no cause for the suicidal act, but it is believed to be dependency owing to some financial difficulties which he seemed unable to control. He was not in the employ of the company at Brokaw, as stated in the New York dispatch."

"A later dispatch makes the simple announcement that a large amount of money was found on his person which would seem to discredit the theory of financial difficulties."

While Mr. Westfeldt was in this section he was superintendent of the Sulphite plant at Nekeos, which position he held for some time. Later he went to Sweden, where his father resided, to accept a position in a sulphite plant, and later a report came from there to the effect that he had sustained a serious accident by falling into a digester. His many friends here had not heard from him for some time, and it was not known just where he was located until the telegram was received announcing his death.

Death of Mrs. Patrick Mullen.

Mrs. Patrick Mullen died at her home in this city on Saturday evening at the age of 78 years after an illness extending over several months. The cause of death was a gradual breaking down of the system due to old age. The final end had been expected for some time and she passed away peacefully when the time came.

Deceased, whose maiden name was Mary Cole, was born in Ireland on the 26th of August, 1828. She later lived in Quebec, Canada, where on the 3rd of July, 1856, she was married to Patrick Mullen. Mr. and Mrs. Mullen moved to Grand Rapids in 1878 and have since resided here.

Deceased is survived by her husband and six children, five sons and one daughter. The children are Wm. Mullen of Seattle, Wash.; James Mullen of San Francisco, Cal.; P. T. Mullen of Erie, Pa.; T. E. Mullen of this city and Mrs. J. K. Crispy of Minneapolis. Minn. Altogether 12 children have all visited their mother during her last illness, the only ones that were able to be present at the funeral were T. E. Mullen of this city and Mrs. Crispy of Minneapolis.

The funeral occurred on Tuesday morning from the Catholic church, Rev. E. Hugenroth conducting the services, and interment being made in Calvary cemetery. A large number of the friends of the deceased followed the remains to their last resting place.

Granted Divorces.

At the session of the circuit court held on Monday the following parties were granted divorces, both of them being default cases:

Mamie Trohler against John Trohler.
Ida Morgan against Henry A. Morgan.

MARRIAGE LICENSES.

Frank Pelot of Nekeos to Kate Kruska of the town of Port Edwards.
Fred C. LaBrot of Grand Rapids to Clara Rousch of the town of Hancon.

Charles F. Sowatzke of Hanson to Vinnie Newman of Seneca.
Frank Sweet of Greenbush to Eva Blackham of Marshfield.

Nash-Bramham.

This evening at the home of the bride's parents, Mr. and Mrs. T. E. Nash, will occur the marriage of Miss Edith Nash to Mr. Macon C. Bramham. Rev. Fred Staff of the Congregational church performing the ceremony. Miss Adele Croushaw of Chicago will be bridesmaid, and Miss Olive Cook of Madison, N. Y., maid of honor, while James Bramham, brother of the groom, will be best man.

The ceremony will occur in the living room, and the houses is handsomely decorated in pink and green. The bride will wear a gown of white lace and chiffon, the brides maid, Miss Croushaw, will be attired in green organdie, while the maid of honor, Miss Cook, will wear a gown of pink net.

Only the immediate relatives of the family will be present and after the ceremony there will be a wedding supper, and at 9:30 Mr. and Mrs. Bramham will take the St. Paul train for a wedding tour. Upon their return they will make their home in this city and will be at home to their friends at their High street home after July 1st.

Both the contracting parties are of our most estimable young people, and have a host of friends here who will wish them God speed on their journey thro life.

Rousch-LaBrot.

Miss Clara Rousch and Fred LaBrot were married this morning at 9:30 o'clock at the Catholic church, Rev. H. Hugenroth performing the ceremony. After the marriage the contracting parties and their friends went to the home of Fred Rousch, father of the bride, at Aldorf, where they were entertained in a social manner during the afternoon and evening.

The contracting parties are well and most favorably known in our community, the bride being the daughter of Fred Rousch of Aldorf, but has been employed in the drygoods department of the Johnson & Hill store for several years past, while the groom is one of the office men at the Connelley plant. Both of them have a host of friends who will wish with the Tribune in wishing them a long and happy wedded life and the best of success on their journey thro life.

Bankers Will Hold Session.

The bankers of central Wisconsin will meet in this city next Wednesday, May 24th, at which time there will be an organization perfected between the different bankers of this part of the state. The organization will be like those of other business houses, for the purpose of holding meetings and discussing matters that come up before the banker that is in regular business.

The meeting will be held in the Elks hall and besides a program it is expected that the visitors will be taken about to the principal matters of interest in this immediate vicinity. The opening address will be given by Cashier Earl Pones, of the First National Bank of the city, and Mayor Wheelan will deliver the address of welcome. A banquet will also form a part of the entertainment that has been provided for the visitors.

Frank Mazur Acquitted.

Frank Mazur, the tailor, who was tried in circuit court yesterday on a charge of selling lottery tickets, was acquitted of the charge this morning, the jury bringing in a verdict of not guilty. The trial of the case took all day Tuesday, it being the first case that was called in the morning.

The night before the attorney for the defendant made a motion to have the case dismissed, but this was denied, and in the morning the trial of the case was taken up at once.

Mazur had been running a suit club and was arrested and brought before the justice court, and was acquitted. Then he was arrested for selling lottery tickets and was bound over to the circuit court, where he was again acquitted. The prosecution was conducted by district attorney Brazner and the defense by Attorneys Wheelan and Hambrecht.

Commencement Soon.

Commencement exercises of the graduating class at the high school will be held week after next. The scholars have prepared quite an elaborate program for the occasion. There are twenty-two in the class which is about the average size in this city.

Will Play the National Game.

The Elks have organized a baseball team again this year, and having started in early spring to get into condition so that they can put up a good game. After a little practice they will probably meet some of the Elks teams from neighboring towns for a friendly contest.

Church Notice.

"Benevolent Disturbers of the Peace," or "The Man With the Muck Rake" is the subject of the sermon in the Congregational church next Sunday morning. Address in the evening on "Washington." All are invited.

—1000 Edison Records at Dally's.

WE WILL PLAY BALL.

Baseball Organization Effected at a Meeting Held on Monday Evening.

A number of the baseball enthusiasts got together on Monday evening and held a meeting at the city hall for the purpose of effecting an organization, which was done. Officers were elected as follows:

President—Fred Kruger.
Secretary—Richard Wippenman.
Treasurer—Charles Dixon.
Manager—Geo. W. Davis.

The matter of having enclosed grounds was discussed and it was found that it would cost about \$250 to secure a canvas fence large enough to enclose baseball grounds, and after deciding that this would be the best that could be secured for the purpose it was decided to have the officers of the organization arrange for the buying of such a fence, and also to furnish seats for the accommodation of the spectators. It will be necessary for a number of the citizens to pledge the payment of the fence, and after the team is started it is proposed to keep on twenty-five per cent of the gate receipts of each game to apply on the purchase price of the fence.

The canvas fence will be a good thing not only for the use of the baseball team but it can also be used in cases of games of football or other athletic events held by the school, which will make it possible to charge admission to all such affairs. In investigation showed that there had been pledged by the citizens a total of \$80 for immediate collection, and others had agreed to pay a certain amount each month, which will amount to something like fifty dollars a month. It is hoped that this amount, in connection with the gate receipts, will be enough to keep the team in operation and give us some good games during the coming summer.

It is proposed to hold the first game of the season on decoration day, if things can be got in readiness as soon as this, on that day the greater part of the stores will be closed and it will be possible for a great many to attend the game if they so desire.

Miss Dupre the Winner.

In the Normal assembly hall, at Stevens Point, Friday night, was held the district high school declamation contest. The contestants were students that had taken a first or second in a league contest in which two or three schools were represented. There were 8 contestants. At the close of the program, President Gray read the judge's decision which gave the places as follows: Fourth place to Viva Haskell of Itasca who recited "Madeline's Victory," third place to Miss Gladys Johnson of Wausau, her declamation being "Jenny," second place to Benjamin Sims of Sparta, subject, "Intervention of Cuban Independence," first place to Miss Elsie Dupre of Wausau, who had for her declamation, "Madeline Barbieri."

Miss Dupre, winner of this contest, will represent the district in the state declamatory contest to be held in the near future at Madison. Miss Dupre took second place in the league contest at Wausau and Miss Johnson, who took first place there, was placed third at Stevens Point.

Judges were Supr. A. J. Latton of Medford, Miss Eda Michaels of this city and Prof. W. J. Hamilton of New London.

Advertising Rates.—For display matter a flat rate of 10 cents an inch is charged. The columns in this Tribune are 2 1/2 inches long, making a one column advertisement cost \$2.50 for one insertion. All local notices, cards of thanks, resolutions of respect, and all notices of entertainments where an admission fee is charged will be published at 5 cents per line.

Within a few weeks the democrats of Wood County will be called upon to perform their duty as good citizens. The State Central committee of their party has decided to hold a state convention some time in June for the purpose of formulating a platform of principles. Delegates will be elected from the people of the different towns of the county to assemble at the county seat for the purpose of choosing delegates to represent the county at the state convention. It is for the good of the party that every man who has the welfare of his state and his own interest in mind to attend the caucus and select the ablest men of his town to represent them at the convention so that a representative delegation may be sent from this county to the state convention. At the county convention it would be proper to have resolutions introduced making plain to the sentiment of the democratic government by commission in Wisconsin, the tariff, trust, and other evils that are the cause of excessive taxes and other ills that the people are subjected to at this time. Recommendations from the people, thru the delegates they elect, are always in order and the place to make them is at the county convention. Let every democrat who stands for a government by the people take part in selecting the men who will represent him. A notice of the holding of a convention will be published later.

St. Paul Road Cuts Time to Milwaukee.

With the most up-to-date equipment, much of it ordered for the special purpose, the Chicago, Milwaukee & St. Paul road, on April 30, cut the time on two trains each way between Chicago and Milwaukee from two hours to one hour and forty minutes. This makes the schedule of the four trains the same as that of the "fast mail" train and covers the distance of eighty miles in 105 minutes.

For a long time the St. Paul officials have recognized the need of a faster service between the two cities, and have believed that a passenger service could be maintained on the same schedule as the mail train. That this is not only possible, but practical, the records of the "fast mail" show, it having frequently covered the distance between the two depots in exactly sixty-seven minutes.

CHANGE DECIDED UPON.

With this record in view, it was decided to make the change and establish two fast trains each way daily, making twenty-one trains a day between the two cities. Accordingly, the official announcement was made yesterday that two new trains, "The Milwaukee Special" northbound, and "The Chicago Special" southbound, would be installed, while the time of the train that leaves Chicago at 3 p. m. and Milwaukee at 4 p. m. would be shortened up to the fast schedule. The first train is named the Oconomowoc Special and the latter the Kansas City and Omaha Express.

Under the new arrangement the Milwaukee business man can leave that city on "The Chicago Special" at 8 a. m. and be in Chicago at 8:45 a. m. in plenty of time for business. He can return home either on "The Oconomowoc Special" at 3 p. m., or "The Milwaukee Special" at 6 p. m., arriving home one hour and forty-five minutes later.

GOOD EQUIPMENT PROVIDED.

"The Kansas City and Omaha Express," which leaves Milwaukee daily at 1 p. m., is so equipped as to make a direct connection in Chicago with "The Southern Limited," which leaves at 6:03 p. m. The schedule allows fifteen and twenty minutes respectively for transfer.

The new trains have new up-to-date equipment with parlor car and coaches. "The Milwaukee Special" carries a diner. No stops are made by these trains and the officials declare that there will be no difficulty in making the time on the St. Paul's double-track road, protected by block signals all the way.—Chicago Inter Ocean, April 28, 1906.

Repairing!

OUR COUNTRY CORRESPONDENTS

VANDRIESEN.

Ward Nelson of Plainfield is moving on Wm. Smith's farm formerly owned by Alton Bailey.

Miss Ethel Jero is home for a few days visit with her parents. She will return to her work at Grand Rapids Wednesday.

Alonso Bailey has moved his family on H. L. Thornburg's farm known as the G. D. Hoffman place.

Miss Rosa Munk is spending a few days at home. She will return to her work at the Rapids in the near future.

George Harding returned to his home at Spencer Friday after enjoying a ten days visit with his sister, Anna Warren and family.

Gen. O'Neil of Chicago has moved back to his farm on the Portage road. He will erect a new house in the near future.

KELLNER.

Your correspondent has been so busy for the past month or so as to have never thought to write any items, but if he omitted this time will never do so again.

John McGirr was a Kellner visitor the first part of last week. Mr. McGirr has a family living on his ranch south of here this summer.

Granger & Brockway are leading a car of lumber for the Badger Box and Lumber Co. of your city. They have nearly finished all the custom sawing. They still have nearly all summer's work for the Badger Box and Lumber Co.

Wm. Compton of your city was out after two loads of slab wood at the mill last Friday.

W. J. Granger, G. H. Munroe and W. J. Joenske were business visitors in your city Thursday afternoon.

Miss Amanda Buse, who is staying in your city with Mrs. Carter spent Sunday at home, returning Monday.

Mr. Kerdon of your city was a business visitor in our burg Friday afternoon.

Not as Rich as Rockefeller.

If you had all the wealth of Rockefeller, the Standard Oil magnate, you could buy a better medicine for cholera, cholera and diarrhoea than Chamberlain's Colic, Cholera and Diarrhoea Remedy. The most eminent physician cannot prescribe a better preparation for cholera, cholera, for children and adults. The uniform success of this remedy has shown it to be superior to all others. It never fails, and when reduced with water and sweetened, it is pleasant to take. Every family should be supplied with it. Sold by John E. Daly, Druggist.

NEKOOSA.

This morning a force of carpenters began work on the new ferry boat and it will probably be in shape to launch and christen by the time the cables reach here. The boat will be 18x24, with 4 foot aprons at each end. The cable across the river will be 1200 feet long and the drive cable 1600 feet, the width of the Wisconsin at the point where the ferry will cross being something over 900 feet. The cables have been ordered and it is expected that they will be here in a week or two so that the work of installing the ferry can be pushed right along as rapidly as the work can be done.

St. Paul Road Cuts Time to Milwaukee.

With the most up-to-date equipment, much of it ordered for the special purpose, the Chicago, Milwaukee & St. Paul road, on April 30, cut the time on two trains each way between Chicago and Milwaukee from two hours to one hour and forty minutes. This makes the schedule of the four trains the same as that of the "fast mail" train and covers the distance of eighty miles in 105 minutes.

For a long time the St. Paul officials have recognized the need of a faster service between the two cities, and have believed that a passenger service could be maintained on the same schedule as the mail train. That this is not only possible, but practical, the records of the "fast mail" show, it having frequently covered the distance between the two depots in exactly sixty-seven minutes.

CHANGE DECIDED UPON.

With this record in view, it was decided to make the change and establish two fast trains each way daily, making twenty-one trains a day between the two cities. Accordingly, the official announcement was made yesterday that two new trains, "The Milwaukee Special" northbound, and "The Chicago Special" southbound, would be installed, while the time of the train that leaves Chicago at 3 p. m. and Milwaukee at 4 p. m. would be shortened up to the fast schedule. The first train is named the Oconomowoc Special and the latter the Kansas City and Omaha Express.

Under the new arrangement the Milwaukee business man can leave that city on "The Chicago Special" at 8 a. m. and be in Chicago at 8:45 a. m. in plenty of time for business. He can return home either on "The Oconomowoc Special" at 3 p. m., or "The Milwaukee Special" at 6 p. m., arriving home one hour and forty-five minutes later.

SHERRY.

Two late for last week.

Mrs. Bever of Grand Rapids is visiting her son John, and family here. It is said that a large wedding is to be established in this community and all hope the report is true for the people here are desirous to obtain it.

Fred Baird has painted the hall in the village which gives it a much better appearance.

Kidney complaint kills more people than any other disease. This is due to the disease being so insidious that it gets a good hold on the system before it is recognized. Foley's Kidney Cure will prevent the development of kidney trouble at any time. John E. Daly, Druggist.

ARBOR DAY.

Arbor Day was observed in the graded schools here and a much improved school year is the result as well as most rooms inside, the teachers and students' motto being "Cleanliness and Beauty." Three shade trees were also planted.

The meat market recently established here by Chas. Sommers, is doing a good business.

Stomach Troubles.

Mrs. Sue Martin, an old and highly respected resident of Falsionia, Miss., was sick with stomach trouble for more than six months. Chamberlain's Colic, Cholera and Diarrhoea Remedy cured her. She says: "I can now eat anything I want and am the proudest woman in the world to find such a good medicine." For sale by John E. Daly, Druggist.

Cranmoor, Wood County, Wis.

MEEHAN.

Miss Nellie Dorfee visited relatives and friends at Linwood last week.

Mrs. E. L. Bailey visited relatives at Stevens Point last Friday.

John Hemmle is home from Chicago where he has been painting machinery.

A. R. Pike was a Stevens Point visitor Monday.

There was a dance at the home of Marc Hemmle last Friday night which was well attended. An enjoyable time was reported.

At H. Manger returned Saturday from Stevens Point, where he had been canvassing during the week.

Miss Evelyn Fowler, formerly of Menomonie was married May 3rd to Pat Kluhny of Linwood.

Ida Berden of Stevens Point and Robert Fardon, formerly of this place, were married May ninth.

There was an old fashioned pound praty at Rev. Miller's last Wednesday night.

Antone Green, Jr., visited his parents here Sunday.

M. H. Manger attended the funeral of the honorable C. A. Lane, the county clerk of Portage Co., Wednesday, May thirteenth.

E. L. Bailey loaded potatoes for James A. Bremner at Stevens Point last week.

There was a dance at J. E. Wajers last Thursday night. An enjoyable time was reported.

Chas. Slack and wife of Port Edwards, visited relatives here the latter part of the week.

Walter Olanuska, who is working at Port Edwards, spent Sunday with his parents here.

CRANMOOR.

W. H. and J. W. Fitch, Miss Esther Ahlquist, Mr. and Mrs. H. F. Whitteley and Mr. and Mrs. S. N. Whitteley, drove up town Tuesday evening to hear the lecture on Christian Science by Edward A. Kimball.

The dancing party at the station Saturday evening, was a very enjoyable affair, nearly all our young people being participants and quite a number from out of town.

A few cold nights of late getting down below freezing point. No danger from the frost is reported.

Mrs. S. N. Whitteley spent a little time last week in Grand Rapids and Port Edwards.

Invitations were out for a social gathering at the Bennett hall on Saturday evening, but were recalled upon the receipt of a telegram announcing the death of a near relative.

Mrs. W. H. Fitch spent Friday morning at Grand Rapids.

Robert Steel and Timothy Foley were among the Grand Rapids visitors Wednesday.

Miss Myra Kruger entertained Miss Barbara Scott of Babcock over Sunday.

W. J. Granger has a nice lot of sixteen inch oak stove wood which he will sell at reasonable price, also pine slabs from the sawmill. Telephone No. 3, four rings.

Winter time again or nearly so. It has been a bad spring for farmers around here. So much cold, wet weather has retarded all kinds of work and crops that are in seem to be making very poor progress.

Mr. Ely of Spring Creek visited with G. H. Munroe a couple of days. Mrs. Munroe and children went back with him for a visit. Our blacksmith now wears the cook's apron at Munroe's.

A merry crowd of young folks assembled at the home of Aug. Miller Saturday evening as a farewell to Reinart. Dancing and various games were indulged in and a very pleasant evening was spent by every one.

Last Thursday at the Lutheran church occurred the wedding of Chas. Pantzer of your city and Miss Gaudke. Both young people were guests of honor and their many friends were present and successful.

Miss Eva Bennett entertained a few school girl friends Saturday and Sunday.

Alfred Meyer of Babcock has been at work on the marsh the past week.

RUDOLPH.

Miss Francis Hintz departed Saturday for several weeks visit with relatives and friends in Milwaukee.

The dance at Alle's hall Wednesday night was well attended and all reported a good time.

Frank Lyonnas spent Sunday visiting in Grand Rapids.

Wm. Est Shumley is visiting relatives in Marcell.

Leonard Warner is again back at the old stand working for Fred Logan.

Chris Hassel has returned from LaCrosse much improved in health.

Miss Hannah Jacobson is home from Atlanta where she has been teaching.

Patrick Redmond is back from Star Lake where he has been employed for several months.

Miss Dora Johnson of Grand Rapids spent Sunday at home.

Charles Hassel drove to Grand Rapids Saturday.

Miss Anna Gross closed a successful term of school Friday in Dist. No. 5, Carson. A picnic was given in honor of her pupils and all report good time.

Geo. Pittz is erecting a fine large house.

Mr. and Mrs. Louis Alberts are rejoicing over the arrival of a baby girl.

Miss Grace Fox, who has been teaching the past winter in school Dist. No. 8, Carson, closed a successful term of school Friday.

Andrew Johnson, who has been employed at Escanabaw, returned home to spend the summer.

The wedding bells will soon be ringing in Carson.

Chas. Fox is laying the foundation for a barn for Lawie Livernash.

Miss Mae Bado, a student of the Normal spent Sunday with her parents, Mr. and Mrs. Will Bado.

John Jacobson and Ole Olson are employed in building a barn for the Johnsons.

Mrs. Louis Livernash of Star Lake is visiting her niece, Mrs. Will Chambers at Junction City.

George McGregor, who is being operated on in Green Bay, is better at this writing.

Overhauled bicycles from \$5 up to \$12.

SARATOGA.

Two late for last week.

Messrs. L. and C. Thornburg are building new houses north of the town mill track.

Mr. and Mrs. O'Neil and son of Chicago, have moved on the Ira Hoffman farm. We hope they will have better success than the former owners.

Fred Wollehen's nephew arrived on Tuesday from Chicago. His stay is indefinite.

The parents of Miss Lottie Withers made a visit to our school Friday.

Clyde and Marvin Vinegar are visitors on Chicago Avenue Sunday.

We think that spring is rather late in arriving up in this corner of the world.

John Keough and M. P. Johnson are serving as jurors at Grand Rapids this week.

Mr. and Mrs. Charles Johnson are rejoicing over the arrival of a baby girl born a week ago last Sunday.

E. L. Phillice and the town board finished up their job of surveying in the town Saturday.

Miss Sophia Peterson of Eau Claire spent Sunday at the Rasmussen home.

Respectfully submitted,

To the board of supervisors of Wood County, Wisconsin.

Gentlemen:—Your committee on finance to whom was referred the report of the county clerk on orders held and uncollected in his office for two years and over, would respectfully report that they have examined the report with the orders and with the books and in his office, and find that the report is correct as stated. We have cancelled the orders and the books; also marked cancelled on the record of orders issued, opposite the number of each order. We present the report to your Honorable Body for destruction as you may see fit.

Signed,

William Hooper
F. P. Malroy
F. P. Hurjoseau
F. R. Pollard
Finance Committee.

Mr. Brown moved that the report of the finance committee be accepted and the orders destroyed by same committee. Carried.

To the honorable county board of supervisors of Wood County, Wisconsin.

Gentlemen:—We, the undersigned, special committee to whom was referred the matter of building a sheriff's barn, and the matter of poor farm and buildings for same, beg leave to submit the following as our report.

With reference to the matter of the sheriff's barn, we have given the matter careful consideration. Find that a suitable barn for the use of the sheriff is greatly needed and after looking over the available ground for same, we would respectfully recommend that the county cause to be built a sheriff's barn 24 by 36 feet with 18 foot posts, on a good stone foundation and with a cement floor, and also the pipe line across the same to be located in the rear of the same in such position as to avoid being placed over the right to maintain, repair and remove which was reserved by J. L. Witter to him or himself, and assigns forever in the deed thereof to the county, such barn to cost, not to exceed, twelve hundred dollars, (\$1200.00).

We therefore offer the following resolution:

RESOLVED, by the county board of supervisors of Wood County, Wisconsin, that there be and hereby is appropriated out of the general fund the sum of twelve hundred dollars (\$1200.00) with which to pay for the building of such sheriff's barn; that the same be built under the direction of such committee as may be appointed, and that the county clerk be and he is hereby authorized to draw orders in the aggregate not to exceed said amount upon the written request of a majority of such committee.

I, E. M. Deming, move the adoption of the resolution.

With reference to the matter of the poor farm and buildings for same, we beg leave to report that we have made a thorough inspection of such farm and buildings, and while the buildings are in a poor condition and far from what they should be, we believe that it would not be a judicious expenditure of the county funds to attempt to build such buildings thereon as are now and in the future we do not regard such farm as a suitable tract of land upon which to erect buildings for a permanent poor farm.

We beg leave to further report that before expending money for permanent buildings on a poor farm, it would be advisable for the county to secure a better tract of land to be used as a poor farm, upon which to erect such permanent buildings, and to that end we have secured a thirty days option from April 21st, 1906, on the north half of the southeast quarter of section 21, the southeast quarter of section 21, township twenty three (23) north of range three (3) east in Wood County, Wisconsin, being two hundred acres in the town of Wood, just outside of the limits of the city of Pittsville, of which we are informed 60 acres are cleared with forty acres clear from stumps, and the balance good wood land, all of which is of a clay soil with a slight mixture of sand, is provided with running water by means of a good spring and the Yellow river crossing the premises.

It can be had for fifty five hundred dollars. And for the purpose of placing the county in a position to provide a suitable poor farm, we recommend that if on inspection thereof, your committee are satisfied that the same is suitable for such purpose, it be authorized to purchase the same.

All of which is respectfully submitted.

Dated Grand Rapids, Wis., this 2nd day of May, A. D., 1906.

E. M. Deming
G. W. Brown
J. O. Kieffer
Ed. Provost
Committee.

RESOLVED, by the county board of supervisors of Wood County, Wisconsin, that there be and hereby is appropriated out of the general fund the sum of fifty five hundred dollars with which the said special committee is hereby authorized to purchase the above described lands if on inspection thereof, they or a majority of them, shall deem the same suitable for a poor farm and that the county clerk be and he is hereby authorized to draw an order for that amount upon

ed on the southeast corner of the court house grounds, instead of in the rear of the jail. Dated May 3rd, 1906.

E. M. Deming
J. O. Kieffer
G. W. Brown
Ed. Provost

Committee.

Your special committee on poor farm and buildings, and standing committee on poor farm and poor accounts recommended that the county do no further building at present on the poor farm, and that those committees be authorized to investigate the matter of a site for a new poor farm. Dated May 3rd, 1906.

Dr. Oiler's fatal philosophy regarding the comparative uselessness of men after 10 years of age has been followed by a fearful wave of discontent and depression among those who have retained a competitive nature, desiring anything but material success. The extent of the harm which Dr. Oiler has done—innocently, I believe—can hardly be estimated. Write Oiler, 322 N. 1st St., in St. Paul, Minn. His words have come like a death sentence into thousands of homes. They have taken away hope and left despair in thousands of young hearts. "What is the use of trying," these unfortunate say, "when one of the greatest authorities in the world has pronounced the verdict against us?" Gov. Allen, of Ohio, in commenting upon the death of some of the railroad companies and other corporations that men over 35 should not be employed, said, "It is not how long a man has lived that counts, it is what's left in him." This is the secret of the whole thing. It depends altogether on how much is left in a man as to whether he is old or young, whether his fires have burned out or are still alive. What the employer wants is vitality, resourcefulness, alertness, freshness and openness of mind. It does not matter so much about the years. It is rather a question of energy, of ray at which men become comparatively useless. Some men are young at 70, others are old at 35. Of the worst delusions that ever crept into a middle-aged man's mind is the conviction that he has done his best work, that he is growing old and must soon give place to younger men. Do not be discouraged or allow yourself to be influenced by Dr. Oiler's "fixed ideas." For he is himself, at 56, a direct contradiction of his own theory.

Germans Die.
In meat going out of fashion? There has been a twofold conclusion in the results of the recent experiments made—that we eat too much meat, and that, generally speaking, we take too much food. The experiments, led by Prof. Clifton, of Yale university, for several months, and in some instances for more than a year, ended by the conclusion that a man who ate too much meat and too much fat, and yet remained as well as or better health than before. The muscular power of the athletes was increased and mental activity undiminished. A banana and a cup of coffee was one full of face for a man. Strictly scientific experiments carried on in America, Germany and France have unanimously resulted in the conclusion that health and strength can be maintained with a much less proportion of nitrogenous food than most eating peoples deem necessary. The distinct teaching of science is that, except the extremely poor, most people eat about twice as much as is needed, and that the surplus is not merely waste but becomes the fruitful cause of disease and suffering. The rice eating Japanese and Chinese practically concur in the scientific doctrine.

Occasionally some foreign publications, especially those of such an unworthy thing as an "American language," our slang phrases and our dialect stories worry them a little. So far as dialect is concerned, remarks, a wise contemporary, we have no advantage over our British brethren. They have novel written in a jargon which no one not initiated into the mysteries can understand. It is not denied that the United States have contributed many "Americanisms" to the language of John Bull. We are a resourceful people, much given to invention, and if we want a word that is not merely a dialect but a new word, we can find it. This may be in very bad taste, but we have a great country and are entitled to make occasional innovations.

Theoretically the promotion of international agreements offers an ideal solution of differences arising between nations. The practical results have not been such as to arouse any vast degree of enthusiasm, however. At the Hague convention England's objection to the Transvaal was sustained. The provisions relating to arbitration proved distasteful to several of the powers represented and it was only on the broader proposals that the signatures of those present were obtained.

Dr. Robert E. Minahan, mayor of Green Bay, Wis., has declared war on the street market, or "the abem man," as he calls that pest. His honor has observed that it is unsafe for an unscrupulous woman to be about the streets and that she makes the city a place of "degradation." "I am going to get rid of the abem man in Green Bay," they say it can't be done. I do not know positively that the evil can be eradicated. But I know this much—I am going to give the fellow the best run for his money he ever had."

A man who got among the curbstone tinkers in Philadelphia, sent his eyes and prayed for the mob was sent to the asylum. The probate court felt that a man who would shut his eyes to that crowd was, to say the least, mentally unbalanced.

If you are puzzling your brains to think where you are going to get the necessary supply of coal next winter, it may encourage you to know that the doctors say that great mental activity is conducive to long life.

No one will be surprised to learn that a prominent lawyer asserts that women are to blame for 50 per cent. of the divorces. Men have always talked that way, clear back to the time of Adam.

Maybe the London doctor who says night air is good for a man has seen up all the other stay-outside excuses.

Not less than \$150,000,000 worth of water is said to be wasted in New York every year. In Wall street, very likely.

BISSELL'S

The Corn Broom

Free women in this age believe that the broom is better than the Bissell sweeper, but they are wrong. The Bissell is more economical.

Just figure it out for yourself. A Bissell will last longer than any other broom that costs less than \$15.00. It sweeps, cleans, and shines. It is made of the best material, and it is made in the United States.

Prices \$2.50 \$5.00

Bissell Corporation, Dept. 7, Grand Rapids, Mich.

FROM OVER THE OCEAN.

Mrs. H. J. H. has decided that at every street crossing she will make a bow to the powers that be, and will be in the front of the line.

The British foreign office is considering a plan for the appointment of a British ambassador to the United States. The British foreign office is considering a plan for the appointment of a British ambassador to the United States.

DISQUOTED PHRASES.

Do you know that the word "dude" comes from the English word "dude," which means clothes? Hence, a dude is one very clothed of clothes.

Do you know that the expression "sure as eggs" is never used in the United States? The original was sure as X is X.

Do you know why foolscap paper is so called? When Charles I. was king of England, only certain people were allowed to maintain a paper, and it was called foolscap paper.

TELEPHONE TIDINGS.

Liverpool has tried and abandoned a penny-in-the-slot telephone service. London, with three times as big a population as New York, has only two-thirds the number of telephones.

The first long-distance telephone cable in this country was that between Liverpool and Manchester. It was opened in 1850.

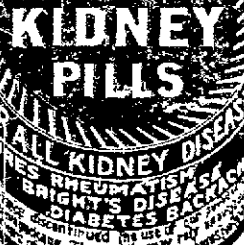

The wireless telephone has been invented by Mr. Thomas Glavin, of New York (Mont.), who claims to have had successful results up to a distance of ten miles.

CONCERNING CITIES.

In three years Krupp's town of Essen has increased 30 percent. Cologne, with its 125,000 people, has had an astonishing growth.

Any city of more than 100,000 inhabitants is considered a great city. Of these Germany has more than any other country, namely, 11.

Great Britain and the United States have 39 each. Then there is a break with Italy having 16, France with 15, Italy with 12, Japan and Austria-Hungary with eight each.

DR. WILLIAMS' PINK PILLS FOR PALE PEOPLE

The Man on the Box

By HAROLD MacGRATH

Copyright, 1904, The Bobb-Merrill Company.

CHAPTER IV.—CONTINUED.

She stopped back, wondering whether to scream or run. "Hi, Jack!" I say, you old hee-hee, where are you?"

The diamond-diamond old man and a tall, studious-looking gentleman, rather plain than otherwise, stood on the threshold.

"Jane, what is all this? Why, Bob, you're a swell!" and in a moment they were pumping hands at a great rate. The little maid looked weakly against the bad-luck.

"Hi, Kit!" I say, Kit, come and see who's here!" cried John.

An extraordinarily pretty little woman, whose name I never could have understood, but who was dressed in a charming pink negligee morning-gown, hurried into the hall.

"Why, it's Bob!" She hung her arms round his neck and kissed him heartily, "hold him away at arm's length, and hugged and kissed him again. I'm not sure that Mr. Robert didn't like it."

Suddenly there was a swish of skirts, and a woman in a blue dress and a white apron came running down the stairs, and she was followed by a man in a blue suit and a white apron.

"You're a swell!" and in a moment they were pumping hands at a great rate. The little maid looked weakly against the bad-luck.

"Hi, Kit!" I say, Kit, come and see who's here!" cried John.

An extraordinarily pretty little woman, whose name I never could have understood, but who was dressed in a charming pink negligee morning-gown, hurried into the hall.

approached the sleek neck of the hunter.

"He does that, sir," replied the groom. "He has never taken less than a red ribbon. Only one horse bent him at the bars last winter in New York."

"It was Mr. Warburton's fault that he did not take first prize. He rode him in the park the day before the contest and the animal caught cold, sir."

"And then it was that this hero of mine conceived his great idea (not to say so) and he was ready to start."

"Your charming sister is about to bring you a brother-in-law."

"What?" "You could have heard this across the street."

"Yes, Bob, dear. And don't look so hurt. You don't want me to be a brother-in-law, do you?"

"When did it happen?"—helplessly. How the thought of his sister's marrying a brother-in-law! I believe I know that no man is good enough for a good woman. "When did it happen?"

"Mr. Robert repeated, with a look at his brother, which said that he should be held responsible."

"I don't know," said the groom. "I don't know," said the groom. "I don't know," said the groom.

"I don't know," said the groom. "I don't know," said the groom. "I don't know," said the groom.

"I don't know," said the groom. "I don't know," said the groom. "I don't know," said the groom.

"I don't know," said the groom. "I don't know," said the groom. "I don't know," said the groom.

"I don't know," said the groom. "I don't know," said the groom. "I don't know," said the groom.

"I don't know," said the groom. "I don't know," said the groom. "I don't know," said the groom.

"I don't know," said the groom. "I don't know," said the groom. "I don't know," said the groom.

"I don't know," said the groom. "I don't know," said the groom. "I don't know," said the groom.

"I don't know," said the groom. "I don't know," said the groom. "I don't know," said the groom.

"I don't know," said the groom. "I don't know," said the groom. "I don't know," said the groom.

and in consequence she brought with her to school an atmosphere of fatigue which made itself felt without her knowledge. Irritability is often born of weariness.

Girls are by the way of worshiping teachers because of little external things which they are sure to do with the teacher's efficiency. A teacher who has lovely eyes and beautiful hair, and the suspicion of a dimple when she smiles, or who wears pretty things and is very attractive to students and clerks, has a great advantage over her plainer associate, who is indifferent to dress.

On the whole, I sympathize with girls in admiring the teacher who is invariably immaculate and tidy, and who has about her the bright atmosphere of perfect health and the beauty that is typical of womanly goodness. It is our duty whether we are girls or not to look up to our teachers as to our betters.

Pirating Foley's Honey and Tar.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. John R. Daly, druggist.

Excursions via the Green Bay Short line to Croese on June 7th and 8th for \$2.18 for the round trip, limited to return on and including June 11th. This is for the annual meeting, United Commercial Travelers of Wisconsin. Call up the ticket office phone 388, or residence, phone 134, for further information. All questions cheerfully answered. A. D. Hill, local agent.

AMONG CRANBERRY MEN.

EDITED BY W. H. FITCH.

(All communications and special exchanges relating to this department should be sent to Green Bay, Wood County, Wis.)

State Work.

In the twenty second annual report of the Agricultural Experiment Station of the University of Wisconsin, and which is sent free to all residents of the state upon application, are some valuable articles by Professor A. R. Watson, L. P. Hawkins and O. G. Malda, concerning cranberry investigations.

From them it appears the crop of Wisconsin for 1905 was not a very successful one for large production. The prospective crop at Berlin was almost entirely destroyed by June floods, and that the damage by water, while not so great in other regions, undoubtedly amounted to considerable. The severe frost of August 8, 1905, is also believed to have affected the 1905 output, but not so severely as the frost on May 25, 1905. Considerable damage was also inflicted on some marshes by the fruit worm which appeared quite abundantly in some localities. Also in cases of frosts and floods which came so early it is difficult to calculate the loss, it is estimated the crop was one half of what it would otherwise have been. On account of early and fall building and the healthy, vigorous growth of vines on nearly all marshes, the prospect this year is for a heavy production, but it is suggested that the fruit worm may return in great numbers as they are very much in evidence the period of their dropping from the berries being quite favorable to the formation of cocoons.

The proper period for taking off the winter flood is a matter of great interest and importance to growers, and concerning this subject the report has the following:

"The winter's flood on the main part of the Keweenaw Station was drawn to several inches below the surface on April 21st, but in one case—designated in Bulletin 118 as No. P. plot 4—the water was held until May 21st. Frequent flooding was necessary to keep the water over the vines. On the date of drawing the water from this plot, the vines upon it showed no signs of new life, while those of the remainder of the station had begun to take on a green color and showed considerable growth in the bud. The vines where the water was held 12 weeks later than those on which the water was drawn early. Also the blossom developed more nearly together in the former case, the berries were much behind in growth, where the water was held late, all thru the growing season and at picking time, September 20th, the berries on this plot were much greener than on the others. The sending of this plot together with some others make a comparative yield of no value for this year.

The results have given are for no season only and cannot, of course, be taken as conclusive proof of the value of early drawing of winter floods."

Conclusive observations and opinions along above lines will always be regarded with interest and given due attention.

Fruit Growers Meeting.

(Fruit Trade Journal.)—Macon, Ga., May 2, 1906. The annual meeting of the Georgia Peach Growers' Association will be held here next Thursday. Communion houses to handle the crop will be selected; transportation, refrigeration and terminal facilities in New York will be considered, and other business transacted.

The association now has about 400 members and a large attendance is expected.

It is now practically an assured fact that a fruit crop is to be marketed this season, and at a meeting a number of very important matters in connection with the marketing of this crop will be under consideration. The programme of the meeting will include among others the discussion of pertinent subjects all of which it will be extremely profitable to have fully discussed by the growers, shippers, crate manufacturers and transportation companies. Some of the subjects will be as follows:

What improvements, if any, will there be in the shipping facilities? What routings of cars will be most advantageous, with a view to prompt service by the railroads, and most advantageous terminal facilities and deliveries? What assurances can the shippers of fruit from the territory represented by this association have, as to special, quick, and reliable schedules between points of shipment and delivery?

It is hoped by the fruit men that the railroads will be prepared to take a prominent and leading part in this discussion. The growers, they say, are entitled to have the advantage of the information that only the roads can furnish on these vital points.

Among other subjects discussed will be the following: What advantages, if any, may be derived from employing inspectors to represent shippers at all icing stations and at points of delivery, to insure proper refrigeration and to note irregularities or failures to refrigerate, and delays on part of railroads in handling cars at icing stations and in deliveries.

Also what advantages, if any, may be secured for having lake inspectors at the larger markets to report condition of daily arrivals, and general daily condition of the markets. In this connection, whether it will be possible to successfully undertake, as an association, to provide for such inspection and reports for the benefit of the members of the association.

The question of fruit packages. What is a reasonable price? This very important matter should be discussed fully by the manufacturers of crates and by the men who must use them, say the growers. The committee on transportation will make its report, and it will be in order to discuss the matter of the probable benefits to be derived from pending legislation by congress on this subject. The committee on commission houses will also make its

report, and a discussion will be in order in this connection, as to the advisability of selling on tracks at orchards. Other matters, general subjects of interest to fruit growers will be in order.

Now that co-operative action has been taken between large and leading cranberry growers in Wisconsin, the foregoing regarding movements in other localities will be found of interest and suggestive as bearing on progressive methods of marketing, connected with transportation, inspection, packages etc.

Extension in East.

[Wareham (Mass.) Courier.]—The Mt. Carmel Cranberry Co. of New Bedford, has recently been organized with a capital stock of \$50,000 and the following officers: president, Mayhew B. High, New Bedford; treasurer, Edward P. Washburn, New Bedford; clerk, Lemuel LeBaron, Duxbury. The company has bought the Palmer swamp at Mt. Carmel, consisting of about 100 acres, and now has 20 men employed in building 15 acres of bog.

Middleboro.—Samuel D. Washburn of Boston, will soon complete 15 acres of cranberry bog near North Carver, and also has 20 men employed at work on land recently purchased of J. C. Shaw near his home in Rocky Mount, converting 20 acres into a bog for the S. D. Washburn Bog Co. This company has upward of 100 acres which it expects to have under cultivation by another spring.

Orleans.—Mr. Edwards and family of Wareham have commenced to sell out the vines on the new Cove cranberry bog on the portion that is finished.

Water E. Tristram of Whitman has purchased additional bog in Oyster for cranberry growing purposes.

The West Virginia Cranberry Company, with headquarters at Pennington, and having an authorized capital of \$20,000 has been incorporated by the following: Dr. Thomas B. Orlenden, Fred Wingfield and Wilbur Patricelli, of Horton, W. Va.

Kansas City, Missouri, last week received an order for fifteen Revised Economy Codes from the Oark Fruit Growers' Association, which is just beginning to ship strawberries in O. L. lots from its various shipping stations.

An action for \$5000 for alleged breach of promise has been commenced by Mrs. Mary L. Jensen, a widow of Stevens Point, against William J. Delaney, former clerk of the circuit court of Portage county. The complaint charges that in April, 1904, Delaney promised to marry Mrs. Jensen, but refused to keep his promise.

The Wisconsin Benefit Association of Marshfield, a life insurance organization, was re-organized last week. It was decided to move headquarters of the association to Milwaukee where the new president lives, that he may look after the work which is growing rapidly. The new officers of the association are O. F. Dwight, Milwaukee, president; Mrs. Viola Newman, Milwaukee, vice president; O. G. Lindman, Marshfield, the cashier of the American National bank of that city, treasurer; T. W. Newman, Green Bay, secretary; J. Henry Harbock, Appleton, superintendent of agents; Dr. W. M. Hill, Milwaukee, medical examiner. The above with George H. Reynolds and E. E. Winch of Marshfield and E. E. Gornrich of Milwaukee will compose the board of directors.

ADDITIONAL LOCAL.

Mr. and Mrs. A. W. Fisher and baby are spending this week with relatives in Stevens Point.

T. E. Nash and James Nash returned on Thursday from Milwaukee where they had been on business.

Charles Narkow of Janesville has moved to this city to live, and now occupies a residence on the east side.

P. A. Williams, E. C. Pore and C. B. Edwards of Marshfield were attending court in the city on Tuesday.

The Keweenaw club met with Mrs. W. J. Conway on Tuesday evening, this being the last meeting of the year.

Mrs. Wm. Hain is having her home shingled, new windows, new siding and many other improvements made about the place.

Mr. and Mrs. J. K. Orley of Minneapolis were in the city Tuesday to attend the funeral of Mrs. Orley's mother, Mrs. P. Mallon.

—Fishing tackle all kinds at Daly's.

Miss Olive Cook of Medina, N. Y., who has been a guest at the T. E. Nash home during the past month, leaves tonight for her home.

Mr. and Mrs. Barney Scymanski of Nekoosa have moved to this city and are now nicely located in the Vivian Newman home on the west side.

T. A. Taylor expects to leave tomorrow for Port Arthur, Canada, where he will be the guest of Wm. Scott for about a week.

Mr. and Mrs. L. M. Alexander of Milwaukee have been in the city the past week. Mr. Alexander attending to some business matters, and Mrs. Alexander visiting with friends.

The Tribune acknowledges the receipt of a catalog from the Ripon College for the year 1906. Among the students in the conservatory of music is Miss Irene Gilkey of this city.

Wednesday afternoon at 2:30, M. Glad Tidings Circle of the Baptist church will meet with Mrs. D. Y. Morrill. A ten cent lunch will be served. Every one cordially welcome.

—We have a fine selection of wedding rings. Daly Drug & Jewelry Co.

Mrs. N. Pepin left on Tuesday for Green Bay where she will spend a few days visiting with relatives. From there she goes to Chicago to visit with Mr. and Mrs. Arthur Pepin for a time.

Atty. E. Pierce of Janesville, attending court in this city on Monday. Mr. Pierce is the attorney for the case of Smith vs. Potter et al. It is expected that this case will be tried this or the coming week.

Victor Kirchling, the month old son of Mr. and Mrs. J. Kirchling, died on Saturday of infantile trouble. The funeral occurred on Monday. The bereaved parents have the sympathy of their friends in their loss.

The water in the Wisconsin river raised a foot or more on Monday night, indicating that a heavy rain fall had occurred north of here. The water commenced to fall again almost immediately, and only reached the five foot mark.

—Henry Neiman, the west side shoe repairer, wishes to inform the trade that he is again back at the old stand and is ready to do all kinds of repairing. Good work, prompt service, and reasonable prices to all.

Richard Harvey left on Monday for Phillips, near which place he will occupy the position of floor in a sawmill. Mr. Harvey had expected to leave for there a month ago, but the mill was a new one and was not completed by the time it was expected that it would be.

The members of the Eastern Star at Stevens Point entertained a number of the members of their sister lodge at their hall Monday evening, and it was the intention of a number of the members of the order to attend from this city, but the threatening weather of that afternoon and evening kept them at home.

Johnson & Hill Co. have recently had a large sign painted on the front of their hardware department, and owing to the misreading of one of the words therein, some member of the firm has been busy most of the time explaining the mistake to ignorant passers-by who have noticed the mistake and gone in to apply them of the fact.

Mr. Geo. R. Gustin of Almond, Portage Co., and Mrs. Ernestine Quick of Grand Rapids, were married on Thursday afternoon, May 10th, at the home of the bride's brother, Geo. Otto, 619-7th Ave. S. Rev. Fred Stett of the Congregational church officiating. Mr. and Mrs. Gustin will make their home on a farm in the town of Almond.

A game of baseball was played at the fair grounds on Sunday between a team from this city and the team from Nekoosa. The home boys proved too strong for the visitors and the score at the end of the game was 21 to 6 in favor of Grand Rapids. The boys report that Nekoosa has not got as strong a team this year as they have had in previous seasons.

A part of the road between the city and the south side has been in rather poor condition this spring, and it would be a wise move for the city fathers to do something that would put that part of the road into permanent repair. It carries a lot of travel during the year, and there have been times during the past spring when it has been nearly impassable.

Wend and Coal. Besant Bros. Telephone 51.

The sale of land advertised for taxes was held at the county treasurer's office on Tuesday, and there were quite a number of people in attendance from all parts of the county. There was quite a list of advertised for sale this year, but a large number called and paid their taxes only a day or two before the sale was held, so that it was not so large as was at first expected it would be. Most of the land advertised was picked up as soon as offered and there was not much delay in the matter.

Rob Nash was taken quite sick on Tuesday evening and the attending physician pronounced it a case of pneumonia poisoning. He was about town during the evening and during the time ate some ice cream, some water which he was taken violently ill, and continued to get worse until a physician was called and he was given relief. It is supposed that the poison was in the ice cream, although it may have been in something else that he ate. He is practically all right again at this writing.

—If you are looking for a bicycle bargain you should see Krieger. He is selling out his stock of bicycles at a very low figure.

A gentleman from out of town who had occasion to do considerable business about the city while here, stated that he had the best telephone service in Grand Rapids of any place he had ever been. He stated that as a general thing when he called up central here that the girl at the switchboard was inquiring what number he wanted before he could get the receiver up to his ear. This from a man who has used many of the exchanges both of this and other states, is worthy of notice.

Valentine Wiesnambach, found guilty of shooting at the sheriff and a posse of deputy sheriffs who tried to capture John F. Dietz of Cameron dam fame, was sentenced to twelve years in the state prison at Wauquan by Judge Vinjo. When Dietz held up the Chippewa Falls Boom company's log drive at the Cameron dam, which adjoined his land, because of dispute over rights, deputies were sent after him time after time in unsuccessful efforts to capture him in court. Dietz is said to have held his "fort" at the dam, on his own land, with a rifle, and kept the deputies at bay. Wiesnambach was a neighbor of Dietz and helped him hold his "fort" against the posse. While he was aiding Dietz the sheriff organized a new posse and Wiesnambach fired upon them when they approached. He was charged with shooting with intent to kill.

Death of Mrs. Swarick. Mrs. Barbara Swarick of the town of Sigel, mentioned in whose serious illness was mentioned in these columns last week, died at her home on Wednesday after an illness extending over several months. The funeral occurred on Friday from the Catholic church in Sigel.

SPECIALISTS

FROM THE
Cleveland Institute of Medicine and Surgery,
Cleveland, Ohio
Will Pay Their First Visit to
GRAND RAPIDS, WISCONSIN
and will be at the

HOTEL DIXON

WEDNESDAY, May 30
Test Your Sick Friends
One Day Only
9 A. M. to 7:30 P. M.
FREE

This Institute in order to introduce their new Medical Discoveries and X-Radium System, sends at its own expense three eminent specialists to give to those who call on the above date, consultation, examination, advice and all medicine required to complete a cure, absolutely free.

These specialists will diagnose your case and give you the benefit of their medical knowledge. There is no experimenting or guess work. You will be told whether you can be cured or not. If your case is curable, they treat you; if incurable they will give you such advice as may prolong your life.

Their treatment gives quick relief and positively cures. Being prepared to suit each individual case, the human system is thoroughly cleansed of the disease in a natural and direct manner and improvement is noticed at once; even the worst cases are treated without any inconvenience to the patient or the pursuing of his daily vocation. If you are improving under your family physician do not come and take up their valuable time. They wish to give each one plenty of time, but cannot listen to long stories not pertaining to your case.

They have discarded the old remedies used for ages by the medical world and which it would be folly to depend upon any longer for they do not cure, as thousands die depending on them for relief.

The fact that these Specialists have discovered entirely new treatments and natural cures, gives them control of the Nervous System, Heart, Stomach, Lungs, Kidneys, Catarrh, Consumption, Epilepsy, Deafness, Male and Female Weaknesses, Cancers, Tumors, Piles and other Chronic Diseases.

They treat deafness by an entirely new method and hearing in many cases is restored at once. Catarrh in all its varied forms cured so that it will never return. If you have weak lungs or consumption do not fail to be examined.

All cases treated can and will be cured, no difference who you have seen or treated with heretofore. Thousands who have given up all hope of being cured, now have an opportunity to consult specialists of reputation.

Don't fail to call as a visit costs you nothing and may save your life. If you suspect kidney trouble, bring a urine bottle bottle of your urine for chemical and microscopical analysis.

REMEMBER—The free offer is during this visit only and will not be given again. Persons commencing any treatment after this trip will be required to pay, but not one cent will be asked of those commencing treatment during this visit for any medicine necessary to effect a cure; also a positive guarantee to cure will be given to patients accepted under their system of treatment. Those having long standing and complicated diseases, who have failed to get cured and become discouraged, are especially invited to call as thousands who have given up all hopes can testify to permanent cures obtained.

NOTICE—Married Ladies without their Husbands and Minors without their Fathers, will positively not be admitted to consultation. Office Hours: 9 A. M. to 7:30 P. M.
